

2024 Poinsettia Sale

We are selling high quality poinsettias at a discounted cost. These are 6.5" for \$8.00 and 7.5" for \$14.00. All poinsettias are *red* and come with a decorative pot cover and a sleeve. They make wonderful gifts and will help make any home a little more festive during this holiday season. Last year, these plants were absolutely gorgeous!

Since this fundraiser is coming up soon we must move quickly. ***Orders and payment are due Monday, December 16 by 11:00.*** We will receive delivery on Wednesday, December 18. Pick-up will be on December 18. I will communicate the time of pick-up once I have it.

Please let me know if you have any questions.
