REPORT ON STUDY TOUR AT KOLKATTA

The Department of Economics , Govt. Champhai College with a number of 13 Economics core students and 3 Professors in charge visited Kolkata. The tour was conducted from 3rd– 10thFebruary 2018. It was a perfect place for educational tour where students came to know and experienced of witnessing what they read and know about India.

On 3rd February 2018,we leave Champhai for Aizawl and halt for a night .

Day 1

On the next day i.e. on 4th February, we arrived Kolkata by Flight and took cab to Mizoram House. On the same day itself, as we reached earlier, we started our tour programme, starting to visit the nearby places such as Quest Mall,Birla Mandir etc.

Day 2

On 5th February, we visited Indian Museum, the largest and oldest museum in India, Victoria Memorial, a large marble building dedicated to the memory of Queen Victoria. And the next visit was Mother Teresa's Home, a place where Mother Teresa's used to spent her time during her stay in India. It was very interesting and thoughtful place ,we had an incredible experienced.

Day 3

On the next day i.e. on 6th February, we plan to visit an Nicco park . All of us feel eager and happy to visit the place and spent the whole day. It was fun and experienced a lot of things which we never had. On 7th February , again we went for sight seeing , we visited one of the most famous cricket stadium in India i.e. Eden Gardens ,and the next visit was Accoland where students enjoy the amusement music,swimming and playing.

Day 4

On 8th February,as we were approaching an end of our tour so we went for shopping the whole day buying things for our near and dear ones.And the next day i.e. 9th February ,we all set up to go back by flight and left Kolkata. On the very day itself we reached Aizawl safely and halt for a night.

On 10th February, we all are set up and ready to move back to Champhai by sumo and in the evening we reached safely to our hometown.

The whole tour programme was awesome and accustomed to it ,and hopefully it must be continued for the coming years .This tour helped the students to have a better exposure and real life experienced by witnessing what they have study in their books and the country as well.It also helps the students to break the barriers of language and learn how to communicate across boundaries. The students have the opportunity to learn and explore many things from this tour.
