

# Scenarios

Bearing in mind that:

- only a few courses have multiple study modes
- the likelihood of someone wanting to switch between full/part time after their initial choice will be low

the following scenarios and actions are possible:

## Basic scenarios

- [Course is full](#) or [withdrawn](#)
  - Choose a different course
  - Remove course from application
  - Submit application anyway
- [Course is closed on Apply](#)
  - Apply for course using UCAS
  - Choose a different course
  - Remove course from application
  - Submit application anyway

## Courses with locations but not study modes

- [Location is full](#) or [withdrawn](#)
  - Edit location
  - Choose a different course
  - Remove course from application
  - Submit application anyway
- All other locations are full/withdrawn  $\equiv$  [Course is full](#)
  - Choose a different course
  - Remove course from application
  - Submit application anyway

## Course with study modes but not locations

- [Study mode is full](#) or [withdrawn](#)
  - Edit study mode
  - Choose a different course
  - Remove course from application
  - Submit application anyway
- Alternative study mode is full/withdrawn  $\equiv$  [Course is full](#)
  - Choose a different course
  - Remove course from application
  - Submit application anyway

## Course with study modes and locations

- [Study mode at location is full](#) or [withdrawn](#)
  - Edit study mode

- Edit location
- Choose a different course
- Remove course from application
- Submit application anyway
- Study mode at all other locations are full/withdrawn ≡ [Study mode is full](#)
  - Edit study mode
  - Choose a different course
  - Remove course from application
  - Submit application anyway
- Alternative study mode at this location is full/withdrawn ≡ [Location is full](#)
  - Edit location
  - Choose a different course
  - Remove course from application
  - Submit application anyway
- Alternative study mode at all other locations are full/withdrawn ≡ [Course is full](#)
  - Choose a different course
  - Remove course from application
  - Submit application anyway

# Start: Application dashboard

If 1 course choice needs updating

**One of your choices is not available anymore.**

[Update your course choice now.](#)

If many course choices need updating

**Some of your choices are not available anymore.**

[Update your course choice now.](#)

## ~~1a. Update course choices~~

If more than one course choice needs updating, we show this interstitial first. Continuing then proceeds through each choice that needs updating, using the pages shown below.

### **Some of your choices are not available anymore**

These courses are not available:

- **{{ provider.name }} – {{ course.name\_and\_code }}**  
This course is not running anymore
- **{{ provider.name }} – {{ course.name\_and\_code }}**  
There are no more {{ course.study\_mode }} places at {{ course.location\_name }}
- **{{ provider.name }} – {{ course.name\_and\_code }}**  
There are no more places at {{ course.location\_name }}

[Continue to find other options](#)

## **1a. Update course choices (stateless)**

If more than one course choice needs updating, we show this interstitial first, asking the candidate to choose which course choice to update.

## Some of your choices are not available anymore

Which course choice do you want to update first?

- ☐ **{{ provider.name }} – {{ course.name\_and\_code }}**  
This course is not running anymore
- ☐ **{{ provider.name }} – {{ course.name\_and\_code }}**  
There are no more {{ course.study\_mode }} places at {{ course.location\_name }}
- ☐ **{{ provider.name }} – {{ course.name\_and\_code }}**  
There are no more places at {{ course.location\_name }}

Continue

## 1b. Update course choice

Course is full - and there aren't any different study modes or locations available

{{ provider.name }} – {{ course.name\_and\_code }}

### Update course choice

{{ course.name\_and\_code }} is now full.

Update your course choice now: when your references come in we'll send your application to your provider(s).

What do you want to do?

- ☐ Choose a different course
- ☐ Remove course from application
- ☐ Keep this course choice  
{{ provider.name }} will get your application but there's no guarantee they'll consider it.

Continue

Course has been withdrawn - and there aren't any different study modes or locations available

{{ provider.name }} - {{ course.name\_and\_code }}

## Update course choice

{{ course.name\_and\_code }} is not running anymore.

Update your course choice now: when your references come in we'll send your application to your provider((s)).

### What do you want to do?

- ☐ Choose a different course
- ☐ Remove course from application
- ☐ Keep this course choice  
{{ provider.name }} will get your application but there's no guarantee they'll consider it.

Continue

Course has been closed on Apply

{{ provider.name }} - {{ course.name\_and\_code }}

## Update course choice

{{ provider.name }} has said they do not want to get applications for {{ course.name\_and\_code }} through Apply for teacher training at the moment.

You can contact your provider to find out if they're still willing to consider your application through this service, or you can apply through UCAS Teacher Training instead.

Alternatively, choose another course.

Make a decision now: if you do nothing, we'll send your application to {{ provider.name }} when your references come in.

### What do you want to do?

- ☐ Apply for this course through UCAS
- ☐ Choose a different course on Apply for teacher training

Keep this course choice

{{ provider.name }} will get your application but there's no guarantee they'll consider it.

Continue

If select 'Apply for this course through UCAS', show the following page

{{ provider.name }} - {{ course.name\_and\_code }}

## Apply through UCAS

Make a note of these codes - you'll need them when you apply:

Training provider code:

**B72**

Training programme code:

**X110**

If you apply through UCAS we'll cancel this course choice on Apply for teacher training.

Contact [Get Into Teaching](#) if you need help with applying.

Apply through UCAS ►

Location is full - and there aren't any different study modes available

{{ provider.name }} - {{ course.name\_and\_code }}

## Update course choice

There are no more places at {{ course.location\_name }} for {{ course.name\_and\_code }}.

Update your course choice now: when your references come in we'll send your application to your provider(s).

**What do you want to do?**

- ☐ Choose a different location
- ☐ Choose a different course
- ☐ Remove course from application
- ☐ Submit application anyway  
{{ provider.name }} will get your application but there's no guarantee they'll consider it. They might consider it for a different location.

Continue

Location has been withdrawn - and there aren't any different study modes available

{{ provider.name }} - {{ course.name\_and\_code }}

## Update course choice

{{ provider.name }} is not running {{ course.name\_and\_code }} at {{ course.location\_name }} anymore.

Update your course choice now: when your references come in we'll send your application to your provider(s).

### What do you want to do?

- ☐ Choose a different location
- ☐ Choose a different course
- ☐ Remove course from application
- ☐ Submit application anyway  
{{ provider.name }} will get your application but there's no guarantee they'll consider it. They might consider it for a different location.

Continue

Study mode is full - and there are no other locations available

{{ provider.name }} - {{ course.name\_and\_code }}

## Update course choice

There are no more {{ course.study\_mode }} places for {{ course.name\_and\_code }}.

Update your course choice now: when your references come in we'll send your application to your provider((s)).

### What do you want to do?

- ☐ Study {{ other.course.study\_mode }} instead
- ☐ Choose a different course
- ☐ Remove course from application
- ☐ Submit application anyway  
{{ provider.name }} will get your application but there's no guarantee they'll consider it.

Continue

Study mode has been withdrawn - and there are no other locations available

{{ provider.name }} - {{ course.name\_and\_code }}

## Update course choice

{{ provider.name }} is not offering {{ course.study\_mode }} places for {{ course.name\_and\_code }} anymore.

Update your course choice now: when your references come in we'll send your application to your provider((s)).

### What do you want to do?

- ☐ Study {{ other.course.study\_mode }} instead
- ☐ Choose a different course
- ☐ Remove course from application

- ☐ Submit application anyway  
{{ provider.name }} will get your application but there's no guarantee they'll consider it.

Continue

Study mode at location is full

{{ provider.name }} - {{ course.name\_and\_code }}

## Update course choice

There are no more {{ course.study\_mode }} places for {{ course.name\_and\_code }} at your choice of location.

Update your course choice now: when your references come in we'll send your application to your provider((s)).

### What do you want to do?

- ☐ Choose a different location
- ☐ Study {{ other.course.study\_mode }} instead
- ☐ Choose a different course
- ☐ Remove this course from application
- ☐ Submit application anyway  
{{ provider.name }} will get your application but there's no guarantee they'll consider it. They might consider it for a different location.

Continue

Study mode at location has been withdrawn

{{ provider.name }} - {{ course.name\_and\_code }}

## Update course choice

{{ provider.name }} is not offering {{ course.study\_mode }} places at {{ course.location\_name }} anymore.

Update your course choice now: when your references come in we'll send your application to your provider(s).

### What do you want to do?

- ☐ Choose a different location
- ☐ Study {{ other.course.study\_mode }} instead
- ☐ Choose a different course
- ☐ Remove this course from application
- ☐ Submit application anyway  
{{ provider.name }} will get your application but there's no guarantee they'll consider it. They might consider it for a different location.

## 2. Confirmation

If edited a course choice or chosen a different course

### Your updated course choice

You are replacing:

|                                 |                                                                              |
|---------------------------------|------------------------------------------------------------------------------|
| {{ unavailable.provider.name }} |                                                                              |
| Course                          | {{ unavailable.course.name }}<br>{{ unavailable.course.qualification_type }} |
| Location                        | {{ unavailable.course.location }}                                            |
| Study mode                      | {{ unavailable.course.study_mode }}                                          |

With:

|                                 |                                                                              |
|---------------------------------|------------------------------------------------------------------------------|
| {{ replacement.provider.name }} |                                                                              |
| <b>Course</b>                   | {{ replacement.course.name }}<br>{{ replacement.course.qualification_type }} |
| <b>Location</b>                 | {{ replacement.course.location }}                                            |
| <b>Study mode</b>               | {{ replacement.couese.study_mode }}                                          |

Replace course choice

If removed a course choice

## Remove your course choice

You are removing:

|                                 |                                                                              |
|---------------------------------|------------------------------------------------------------------------------|
| {{ unavailable.provider.name }} |                                                                              |
| <b>Course</b>                   | {{ unavailable.course.name }}<br>{{ unavailable.course.qualification_type }} |
| <b>Location</b>                 | {{ unavailable.course.location }}                                            |
| <b>Study mode</b>               | {{ unavailable.course.study_mode }}                                          |

Remove course choice

## 3. Update application

If updating an application with updated choice(s)

## Update application

You're updating your application with the following course choices:

- {{ updated.provider.name }} - {{ updated.course.name\_and\_code }}
- {{ existing.provider.name }} - {{ existing.course.name\_and\_code }}
- {{ existing.provider.name }} - {{ existing.course.name\_and\_code }}

When your references come in we'll send your application to your provider(s).

[Update application](#)

[Cancel and return to application dashboard](#)

If submitting an application that has no choices remaining

## Are you sure you want to withdraw your application?

Your application does not have any course choices.

[Yes - withdraw application](#)

[Cancel and return to application dashboard](#)

## Finish: Application dashboard

If application has been updated

**Your application has been updated**

If application has been withdrawn

**Your application has been withdrawn. [Do you want to apply again?](#)**
