

How to enter a Spirit Score

We ask that Spirit Captains fill out a Spirit of the Game report for the opposing team after each game. We find it best to complete this at the field so you can get feedback from your team. Here are some helpful steps to report spirit.

Steps if using a phone

- Log into your DiscNW account
- Click on the calendar icon in the gray navigation bar at the top of the screen and click on the league you are reporting for.
- Click on "Event Menu" in the blue bar at the bottom of the screen
- Click on "Schedule & Scores"
- Scroll down to the filter area under "regular season"
- Filter to "Played Games"

- Find your game and click the trophy icon or score next to your team's name (the trophy goes away if a score has been reported)
- Enter the spirit scores for each category. **A comment must be added for any score below a 2 or 4 in any category**
- Click "Report Results" to submit your Spirit Score

Steps if using a computer

- Log into your DiscNW account
- Hover over "events" in the gray navigation bar at the top of the page
- Click on the league you are reporting for
- Click "Schedule" in the left side bar
- Filter to "played games" and find your game

- Click on the trophy icon or score next to your team name (the trophy goes away if a score has been reported)
- Enter the spirit scores for each category. **A comment must be added for any score of 0 or 4 in any category**
- Click "Report Results" to submit your scores
