Construction Corner

And so it begins...we are full steam ahead to build a new Forrestal! While exciting, the construction of our new school will impact how we operate over the next two years. Please allow extra time and attention at the start of the year to learn the new safety expectations and arrival/dismissal locations (see map below).

We will also have an opportunity for our school community to give input on the school name, logo & colors! Stay tuned for more exciting news to come.
