

COCSD Transportation

School Year 2025-26

Thank you for trusting your student with us! Your child's safety while being transported to and from school is our primary concern. Please take a look below to know what is needed for your child to ride with us!

1. The 1-mile Radius rule is in effect. Your child is eligible to get district supplied transportation if your home residence is outside a 1 mile radius of the school they attend.
2. Transportation is provided if you live in your school's area. If you don't live in your school's area, then you are responsible for your child's transportation to and from school.
3. Bus-riding is a privilege, not a right. The privilege can be taken away if your student can't follow rules or if parents abuse the system that is in place.
4. When changing plans to go home, all changes go through the school office. Once your child is on the bus, they are not to get off until they reach their stop. If they are to go to a different stop that day, they need a bus pass from the office to do so. NO EXCEPTIONS.
5. Kindergartners are not to be walking home alone. They need to be met by an adult at the bus stop, or they can walk with an older relative off the bus. You can give written permission for the child to walk to the house by themselves that needs to be given to the school and transportation office.
6. Students need to turn in the permission slip below to ride the bus. Please fill this slip out in full and have your student turn in to the bus driver the first day riding the bus within 2 weeks. This is one-time only. We need to know who is riding our buses.

Student Name_____ Grade_____

Bus Route_____ Bus Stop_____

Parent Name_____ Signature_____
