

# Jellyfish Counting- Playhouse Pals

What you will need:

- Paper Plate
- Hole Punch
- Pony Beads
- Yarn
- Tape
- Crayons

1. Cut a paper plate in half
2. Punch holes near the straight edge of the plate
3. Number each hole with different numbers
4. Cut enough yarn for each hole
5. Put tape on the end of the yarn to make threading easy
6. Start threading yarn through each hole
7. After yarn is threaded through holes add beads to each tentacle of the jellyfish-count the beads with your child.
