| <b>Mon</b>   |                                              | Title 1<br>½ class computers                                                                                 |                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                           |                                                                                                                                                    |
| <b>Tues</b>  | SL.K.1<br>SL.K.2<br>SL.K.3<br>L.K.1<br>L.K.2 | To review that God is loving and wants us to love others just as he does.                                    | How can we show God we appreciate his love for us?                                                                                                                                     | Remind the children that every person is very special to God. Ask children to think of ways they can show kindness to people who are different from themselves. Encourage the children to thank God for helping them to love others.                                                      | How do you know God loves you?<br>Do you think God that God is happy with you?<br>What is something that God always wants us to do?                |
| <b>Wed</b>   |                                              | Title 1<br>½ class computers                                                                                 |                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                           |                                                                                                                                                    |
| <b>Thurs</b> | SL.K.1<br>SL.K.3<br>L.K.1<br>L.K.2           | To present that God gives us our senses.                                                                     | What kind of discovery can you have with your senses?                                                                                                                                  | Ask the children to think about gifts they have received in the past, discuss and understand that people often give gifts to show their love. Think about how pur senses help us everyday .                                                                                               | What can we do with our five senses?<br>Why did God give us the gift of our senses?<br>How can our senses guide us in God’s world?                 |
| <b>Fri</b>   | SL.K.1<br>SL.K.2<br>L.K.1<br>L.K.4           | To explain that we use our senses to discover                                                                | Do the senses mean something important in your life? why?                                                                                                                              | Invite the children to pay close attention to the things around them. Listen to the song “God gave me my senses”. Then recite a special prayer thanking God for the gift of our senses. Before the end of the lesson ask students to quiet down and ask them what senses they used today. | How do we use our senses to discover God’s world?<br>What senses did you use on your discovery walk?<br>Why do you think our senses are important? |
|              |                                              | <b>Bloom’s Taxonomy<br/>(HOTS Questions)</b><br>-Knowledge                                                   | <b>School Grade Weighting Scale:</b><br><br>Tests (40%):                                                                                                                               | <b>Vocabulary words for week:</b><br><br><b>1. five senses</b><br><br><b>2. gifts</b>                                                                                                                                                                                                     | <b>Use of Technology:</b><br><br>____ Smartboard                                                                                                   |
