

Regional Chief Queen

Adventure Queens is a UK based, not-for-profit women's adventure community with the aim of delicately smashing down the barriers that prevent women from being active outdoors. We currently have over 15,000 members and are run entirely by volunteers.

With over 60 volunteers we are a passionate bunch, dedicated to providing opportunities for women to get outside and push themselves out of their comfort zones to experience the physical and mental health benefits of the great outdoors. Our 25 local groups are one of the ways that we do this, connecting women in their local area.

What you'll be doing:

- Overseeing the local facebook group i.e.:
 - Managing requests to join; and
 - Moderating the group to ensure everyone is abiding by the community guidelines i.e. being kind and respectful to each other, no fundraising/advertising posts or any posts whereby there's business or personal financial profiting.
 - Engaging the community e.g. sending welcome messages to new joiners, replying to posts and sharing any thoughts and tips whenever possible – to keep the online group engaged.
- Organising/supporting the organisation of local meet-ups.

We'd love it if you...

- Enjoy working with others and enjoy supporting others to achieve their goals
- Have the time available to commit to delivering the role
- Have an interest in the outdoors

This is a voluntary role and we recognise that you will have a busy life in addition to this. As a minimum we would like you to ensure that any membership requests are accepted within a reasonable amount of time, you attend the bimonthly Volunteer Queen calls in addition to committing to organising ad hoc group meet-ups.

Benefits for you...

People volunteer for all sorts of reasons – to make new friends, gain new skills, and give back. We want to make sure you get back what you put into the role. If you join our volunteer team you will:

- Be contributing to helping more women be active outdoors and making a difference to their physical and mental health
- Be part of a team of 60 AQ volunteers passionate about helping women get outdoors
- Meet inspiring, adventurous women at volunteer meetups and catch up calls
- Access training and support including through our membership with Sported

If you like the sound of the role, get in touch – we'd love to hear from you!
