

You are your child's first teacher!

We know that literacy learning begins at birth and develops gradually over time. The literacy skills your child develops before kindergarten are a critical foundation for success in reading and in life.

What's the workshop all about?

Trisha Green, Edwards County KSU Service Agent will help parents build on what they already know to grow literacy skills in their young children through:

- Understanding the Building Blocks of Reading
- Showing how to read-aloud and talk about books
- Recognizing opportunities for talking with your child
- Hands-on literacy experiences and activities

What you will receive

- Five Picture Books and Reading Fun Cards to take home
- Each month, pick up a FREE Romano's large pizza on your way home for dinner (or a coupon to use later).
- Attend all four sessions and receive FREE tickets to a movie at the Palace Theater: 2 Adult and 2 Child
- Confidence in your abilities and the knowledge that you are helping your child with literacy skills that will help meet the challenges and the opportunities of a lifetime.

MORE INFORMATION and to register visit www.kinsleylibrary.info;
Call 620-659-3341, or come by the Kinsley Library, 208 E 8th St.

This 4-session workshop is part of a cooperative project of the Kinsley Library, Kansas State Extension, USD 347, USD 502 and the Edwards County Community Daycares, with funding through a Rural Library Network Grant, an Early Learning Community Project of **Save the Children®**
