Clearing your Browsing Data

Since BASD runs on Google Chrome, any slight Chrome update can cause our systems to skip a beat. Clearing your chrome browsing history fixes 95% of problems. Even if the issue seems unrelated and it just worked 5 minutes ago, do it anyway!

Do this at least once a week or anytime anything is glitchy.....

 Clear Browsing Data/Update directi...

 You can print out these ^^

directions and post them in your classroom. Students need to do it too!

The best sequence is to:

1. Clear the browsing history from All Time.
2. Quit Google Chrome.
3. Restart.
4. Open Google Chrome.
