Hey Paul, Love your short podcast videos, you always drop a ton of real estate value there

So I wanted to return the favour and let you know some minor tweaks you could add on your facebook ads bios which could motivate readers to take action

You can check out the link to the sample to show you the tweaks I made for one of your ads

Now you're probably a pretty busy person that's why I wanted to help you with creating your ad bios.

So that you can sell more copies of your surfer's guide to real estate investing book

if this is something you'd be interested in, just send me a quick DM
