STAR Events Info: [Judge/Volunteer Star Event Lunch Form](#)

- If you are lead consultant/judge, review the [materials in this folder](#).
 - Here is the list of judges
 - If you or someone you are bringing are judges PLEASE bring a charged laptop
- Make sure if your students' projects are online they download them, in case we have wifi issues.
- STAR Event Awards will be given out at a later date. Only the top 2 advancing to State will be announced at Regionals. In order to advance to the State Competition students must score a 60 or above and be in the top two of the event.
- Student Schedules for STAR Events are now on the Registration Portal

Community Service Info:

Craft Kits for foster children:

During breakout sessions, members will cut and assemble felt craft kits. These will be distributed to foster children through The Call. We will have felt, patterns and notions available. If your chapter would like to bring extra felt that would be appreciated.
