TEXTO 1

Dear Meg,

Hi. How are you?

I'm in "Recife" now. At the moment, I'm working for a big Company to get some experiences. I'm learning a lot. I'm studying English and Spanish. Spanish isn't difficult. It is an easy language for Brazilians.

I'm living with two friends Paulo and Francisco. They're studying languages, too. They are very nice. We're living in a small apartment in a quite street.

We're visiting interesting places. I'm enjoying my stay here.

Loye,

Edson.
