

## Preface

- I have the right to decline any work I do not feel comfortable doing.
- I have the right to cancel a commission at any point in time if I no longer feel comfortable completing it. You will be refunded accordingly.
- I will do major edits in the sketching stage free for *two edits only*, and in the coloring/final stage for *one*. After that there will be an additional fee.
  - Any mistakes made on my half will be free after the third/first adjustment. If they are made based on unclear descriptions and inaccurate character references, there might be a fee.
  - Illustration commissions have an additional thumbnailing stage that allow for more adjustments/edits to be made.
- I **do not** distribute PSD or CLIP files. The high quality, full image will be given to the commissioner once work is completed and approved.
  - Exceptions made to those commissioning logos or other pieces used similarly.
- Base prices are just that- base prices. They are eligible for change depending on the work's complexity, amount of time to complete and amount of subjects.
- I require you to be at least **18 years of age** to inquire about a commission. It is **legally mandatory to be of 18 years or older** to commission any sort of adult content.

## Payment

- Payment is taken through Square or PayPal at this time, though Square is preferred. I accept payment in USD only, and will only accept transactions made through invoicing.
- I do not and will never be accepting cryptocurrencies as payment.
- Leave the comment box **blank**.
- Payment is required upfront. Work will not be started until I receive payment.
  - This is negotiable depending on the final cost of the commission. Anything above \$250 I will take a downpayment of 60% on. The remaining 40% will be due once the sketch is completed.

## Contact

- You may note me on FurAffinity (SpazzticGlitch), DM me on Twitter (@JackalTeeth) as well as send me an email at [jackalteethart@gmail.com](mailto:jackalteethart@gmail.com). **Email is most preferred.**
- Please attach references to emails (if applicable). Links are okay too, but attachments are greatly preferred.
- If something comes up that would delay progress on a commission, the commissioner will be contacted and made aware.
- Questions or WIP requests are more than welcome. Please try to limit asking to twice a week if possible.
- Rude or otherwise unruly commissioners will have their commission(s) canceled and be refunded accordingly.
  - This means that you will be refunded the amount of work not completed.

## Refund Policy

- A commissioner as well as myself can cancel a commission at any time. A refund will be given immediately. If work has been partially completed, then a partial refund will be issued. I will refund based on what work I did not do.
- Partially completed work can be given to the commissioner upon request.
- **There will be no refunds on completed work.**

## Commission Content

- Please be clear and concise with what you would like! Make sure references are up to date and that you tell me everything that is an important detail.
- Please be sure to correct missed things before and during the sketching stage.
- I will only work with my art style and will not try to imitate someone else's.
- I **will not** draw commissions of a third party's character without their expressed consent to do so. Rating is irrelevant.
- I will not draw any sort of "hate art". This includes things alluding to Nazism.
- *There are subjects I refuse to draw under any circumstance.* Ask me if you are unsure if I would be comfortable drawing them for you.

## Rights as the Artist

- The commissioner gives all rights to the artist. I reserve all rights given to me by the US Copyright Law as well as the Moral Right to my artwork regardless of the characters involved/depicted.
- I have the right to issue takedown notices of edited versions of my work if the commissioner were to impede on my Moral Right. I will also issue takedown notices if the work is reposted somewhere it shouldn't be (e621, for example).
- I have the right to post the work for display or self-promotion with credit to the commissioner where applicable.
- I will do private commissions. Please email me with an inquiry.
- I will not sell prints of a commissioned piece without the commissioner's permission to do so.

## Rights as the Commissioner

- You retain all rights to your character(s).
- You may use the art as a reference for other artists.
- You may cancel the commission at any time. Refunds will be given accordingly.
- You have the right to issue takedown requests on third party websites for pieces that depict your character(s).
- You may produce prints for **personal use only**. There will be no selling of my works. **This includes the implementation of NFT.**
- You may use my work as your avatar or website ID.
- You **may not** pay or otherwise exchange services to another artist to edit or make changes to my work. No one is allowed to make edits to my work other than me.
  - You are free to contact me to make edits to the work myself, however there may be a

small fee.

- ***This includes using my art to train an AI or otherwise alter it through AI.***
- **There are some websites I am uncomfortable with my art being shared on.** This includes: SoFurry, Inkbunny, or any other social sites like Meta, MySpace etc.
  - Please contact me if you would like explicit permission to repost works to any of these sites. The reason for this is due to the listed sites' uneasy copyright terms.
  - Reposting elsewhere is fine provided credit to myself as the artist is included.
  - **My art and characters are on the e621 Do Not Post List. If my work is posted there, it will be removed.**
- You **are not** to resell my work in any way, shape or form.
  - Purchasing full rights to a piece may be discussed. Please be aware that this comes at a high price.
  - Exceptions made for adoptables. You may resell them **NO HIGHER** than the price you purchased them for provided no other additional work of said design has been done.
- **You are not permitted to run my art through any sort of AI algorithm or program.**
