SDUHSD Middle School Class Schedule Guidelines:

- We have a balanced school-wide schedule (classes and staffing) built on course requests made by students in the spring, and we have done our best to honor students' first, second, or third elective choice.
- We are unable to accommodate teacher requests, period requests, or changes to schedules for extracurricular/athletic activities.
- Our goal is to have students settled in classes and ready for virtual instruction with little to no movement. Level changes in English and mathematics can be addressed through Tuesday, September 29, 2020.

The Counseling Office will address **scheduling errors only** leading up to and during the first two days of school (ex: students missing a class period on their schedule). Contact **Lisa Curry, Counselor A-R at lisa.curry@sduhsd.net or Carsen Murt, Counselor S-Z at carsen.murt@sduhsd.net**

We wish all SDUHSD Middle School students a positive start to the school year!
