

SUPPORT MOMS

Fundraiser for StandUpGirl.com

StandUpGirl.com provides expecting mothers, fathers, and families with free, practical courses to help with what to expect for pregnancy, what to expect as a parent, and how to set your family up for success!

We are a group of students at George Fox who are organizing this service project for StandUpGirl.com

Since these courses are free to expecting families, StandUpGirl.com must raise a considerable amount of money to be able to maintain these services year after year. Join us in supporting their mission to empower and support pregnant women!

VENMO

Help raise money for parental education courses through monetary donations!
