

BARRINGTON YOUTH BASKETBALL ASSOCIATION

REGISTRATION OPEN!

Visit www.bybahoops.com to REGISTER!

Recreational League Program:

The Recreational League Program allows youth who are both new to the game and experienced and are interested in learning the fundamentals, to continue to learn new skills, while participating in a fun atmosphere. This commitment is optimal for families who travel on weekends during the winter months, but whose child is still interested in playing the sport of basketball. Playing time will be equal among all players.

The season will begin the week of November 25th and end with a one day tournament on February 8th. Divisions in the recreational league program will be divided by grades (3/4), (5/6), (7/8). Each team will have a one hour practice during the week and a game on Saturday.

Competitive Travel Program:

The Competitive Travel Program provides an opportunity for players in Grades 3-8 that have experience playing basketball, advanced skills, and are seeking an opportunity to play in a highly competitive league. Players and families must be willing to make an increased time commitment for practice and games.

TRYOUTS are scheduled for the weeks of September 16th and 23th with two sessions per grade. Attendance at both tryout dates is strongly encouraged. A tryout schedule is posted on the league website. There will be a non-refundable \$40 fee to register for tryouts. The season begins the week before Thanksgiving, with games over February vacation and concluding by mid-March. All teams will play in post-season tournament.

Players are required to participate in 60% of Recreational League practices and games. An exception will be made for players on the Middle School Team. [Registration for this league includes the Recreational League Fee!](#)

Must register before September 13th to be eligible for tryouts!

Scholarships are available upon request

Coaching Opportunities Available! Please register on league website for consideration!
