Craig Kumpula

Intro.

1. A Prayer for Help 1-3

2. An Argument for Help 4-7

3. Assurance of Help 8-10

Being a God-blessed doer of Psalm 6:

1. Whom did God use to pen this psalm, and what circumstances may have prompted him to write this?
2. What does the psalmist petition God not to do (v. 1), and what then does He ask God to do? (v. 2) 3. What is the condition of David's soul as he writes, and what does he do about that (vv. 3-4)? 4. How has he lost perspective in terms of how he views death and life? (vv. 5-7; Eccles. 9:4-6; Isa. 38:18) 6. What bolsters David's assurance of help, and how does that impact his outlook? 8-10 7. How should all this greatly encourage us in dealing with opposition and pouring out our hearts to the Lord?
