

## BLM 1.1 - Minds on Identity

Many historians suggest the period following World War II was a time of major transformation in Canadian identity. Take a few moments to reflect on what **identity** means to **you**. Respond to the following questions in the space provided on the organizer below:

- In the **Know It** quadrant - What is Canadian identity? What symbols are connected to your identity?
- In the **See It** quadrant - Where does our identity come from? How is identity connected to power and values?
- In the **Feel It** quadrant - How does being, or not being a Canadian make you feel?
- In the **Do It** quadrant - How does your cultural identity impact your life?
