

Mrs. Billings

7th & 8th Grade Math Teacher

I am honored to say that I have been at Odyssey for over 20 years. I am excited to be teaching 7th & 8th grade math after many years of teaching 5th and 6th grade math.

After attending both Bowers and Buckley elementary schools and Iling Junior High School, I graduated from Manchester High School in 1995. I then attended The University of Connecticut for my undergraduate degree and completed my Master's degree at Central Connecticut State University. I truly enjoy teaching and I come from a family of educators. My father studied to be a history teacher, my mother was a retired library media specialist, and my sister teaches music in town. When I'm not teaching you might see me around town with my husband, Bryon and our sons, Braydon and Oscar.

You can contact me using the following methods in order of preference:

1. Send me an email using my school email address: sbillings@odysseyschool.org
2. Call the school and leave me a voice message at 860-645-1234 x142
