

## The Tammy Wilkinson Scholarship Fund

This scholarship was created in memory of Tammy Wilkinson by the WAM (Women About Missions) at Center View Baptist Church in Maiden, NC. Tammy was not only a beloved member of CVBC, but she was also a member of the Lincoln/Catawba County communities and was loved by all who knew her. Tammy had a love for children that couldn't be disguised. You could always find her helping in the nursery, children's church, VBS, and many other ministries of the church. Our children also loved Tammy because they knew she loved them.

To honor her legacy, we wish to award a \$1,000 scholarship to a student who is serious about pursuing a field of study revolving around children and making their lives brighter and better.
