

Officials Report

March 2022

Thanks to all our officials, and welcome back to in person meets – may they continue.

Reminder that all judges need to have safe sport and background checks to be on deck, you can check your status in your sports engine profile. They are no longer on the certification list. Under household and details. Safe sport must be done annually.

Next year all judges will need to complete an update to be able to judge for the season 2022-2023. This will occur after the FINA training. Plan is to be in person training.

Training for Level 1 and level 2 judges is online at
<https://www.teamusa.org/usa-artistic-swimming/resources/judges> .
