Objective

Motivated and skilled video editor and camera operator with over 7 years of experience in the video production and events industry. Proficient in a variety of editing software, including Final Cut Pro and Adobe Premiere Pro. Well-versed in operating Sony Cinema cameras, including FX6 and FX3. Demonstrated ability to work effectively in a team, manage client communications, and deliver high-quality content under tight deadlines.

Experience

Video Editor & Camera Operator | Richer View | Dec 2019 – Current

- Collaborated within a small creative team, delivering video and event production for diverse clients.
- Translated video briefs into technical plans, consulting with producers, directors, and clients to optimise creative execution.
- Conducted meticulous file management, ensuring swift and accurate backups for seamless team collaboration.
- Proficient in Final Cut Pro for primary editing, with additional use of Adobe Suite for animations, audio effects, and specialised enhancements.
- Implemented colour grading and audio mastering techniques for top-notch quality, utilising Adobe Audition for audio enhancement.
- Pioneered a new video format for a client's annual award night, directly contributing to increased event attendance through enhanced video quality and engagement.

Key Achievement

- Conceptualised and created an innovative video format for a yearly award night, resulting in increased event attendance.

TV Producer | Cellcast TV | Jan 2018 – Nov 2019

- Managed camera operations and production for late-night live TV channels.
- Oversaw the main flagship channel, coordinating on-screen graphics and video trailers.
- Ensured daily compliance with Ofcom regulations and produced engaging social media content to boost show engagement

Intern Video Producer | BIG BERRY | Apr 2017 – Nov 2017

Filmed and edited a series of videos for a start-up holiday destination in Slovenia. Created a vlog series that explored all the different activities and locations guests could visit.

- Filmed and edited video content for a start-up holiday destination in Slovenia, independently planning and executing video concepts.
- Created a vlog series that followed bloggers and influencers around Slovenia to aid tourism.
- Live Streamed activities and events that were happening within the holiday destination.
- Travelled to Slovenia and Croatia to film guest journeys, producing weekly releases for the YouTube channel.

Education

Media Production / Education Studies

- University of Northampton | 2011 – 2014 | 2:1

GCSEs

- Lodge Park Technology College | 2003 - 2010 | 14 GCSEs (All above C)

Hobbies and Interests

- A proficient guitarist with 20 years of experience, actively participating in local bands and played bass guitar in a band awarded 'Band of the Year' at Lakefest 2019.
- Enthusiastic about film, particularly the Marvel Cinematic Universe, inspired by childhood comics and impressed by cross-film storytelling.
