- Everyone will report to the school at 7:45 AM
- Morning announcements will begin at 7:55 AM via the ESES YouTube Channel
- Classes will start at 8:00 AM
- Although classes are slated for hour blocks, the instructional period will be 45 minutes with a 15 minute break after every class
- The teacher will use the same Google Link/Google Classroom information for parents to access the instructional period
- Teachers will record all instructional periods for students/parents to access as needed

- The teacher will have hard copy resources available for students to connect to learning environment in the event they do not have the proper technology
- The teachers will need to take daily attendance for their learning periods
- The teachers will record grades for the students in the Infinite Campus gradebook
- The teachers will coordinate with the RTI/MTSS Coordinator for guidance for the RTI block
- Specials for K, 1, and 2 will be taught in 30 minute segments. This will reduce the screen time for the younger students, while also giving our specials teachers a planning period
