

Five Things on a Friday – LeadLUU Edition by Denica Shute

Nominations for LeadLUU go live on Monday 27th November so here's everything you need to know to hit the ground running!

What is this that you speak of?

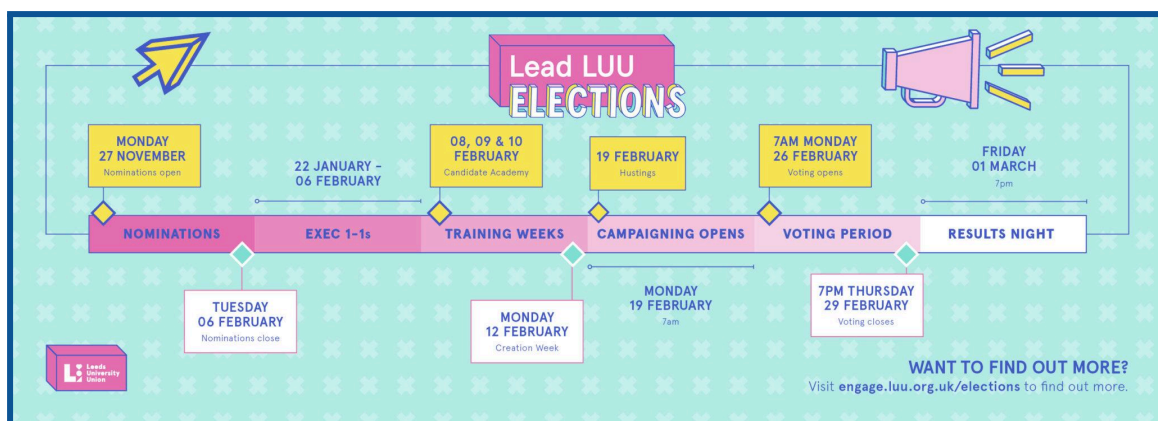

The **LeadLUU Leadership Programme** is the annual **leadership race** that decides which students will become our **executive officers**, meaning they'll become **key decisions** in how LUU's priorities over the year to come and how we achieve them.

They represent LUU when working with the **university**, **LUU's partners** and on a national level at **NUS**, all while **representing the students**.

The Timeline

Recruitment is open all year round but from **Monday 27th November** LeadLUU hits its stride as **we open for nominations**, starting the lead up to the election proper!

Nominations open | 27 November

Nominations close | 6 February

Campaigning opens | 7am, 19 February
Voting | 7am, 26 February – 7pm, 29 February
Results Night | 1 March

Nominate Students!

I'd like to make a request of all LUU Staff:

[Please nominate students!](#)

We want **fierce competition** from students to be the **leaders of our organisation** and so we're asking staff to **nominate the students you work with!**

The nomination form linked above will open at **9am on Monday 27th November** and I'd like to encourage **all staff** to nominate at least **one student** they've worked with.

Your nomination can be **anonymous** but I'd strongly encourage you to **have a chat with them**, tell them what it's like working at LUU, introduce them to **the exec**, let them know they could join our **Leadership Programme!**

Become a Mentor!

Every year members of staff from around LUU sign up to **mentor the LeadLUU candidates!** It's a great opportunity to upskill, work slowly with the students, and contribute towards a project that decides who our leaders will be.

Time Commitment: You'll meet with your candidates **once a week for a half hour chat** to provide support, such as;

Setting SMART Goals for their campaign
Handling their time
Giving feedback on candidate statements
Be their cheerleader!

You'll be provided with **training, weekly Mentor meetups** for querying how best to support candidates, and **plenty of free coffee and biscuits!**

If you're interested in working with the next set of candidates, then [sign up here.](#)

Our Executive Officers

If you are a student member of staff and you are thinking of taking part in the **leadership race** then you can learn more about what it is like being an officer from our past and present Exec team/s.

[Read all about their roles here.](#)
