

## Action Step- Mod 12

### 🔥 Going After the imPOSSIBLE

This week, we will be looking for an opportunity to bring Jesus into a seemingly impossible situation.

#### 🗣️ Declarations:

Say these truths out loud!

- With God, all things are possible! Matt 19:26
- The same Holy Spirit that raised Christ from the dead lives in me!
- I will see the sick healed and the dead raised back to life!
- My job is to love people God is the miracle worker!

#### 👉 Weekly Action Step Options

This week we look to bring Jesus into a seemingly impossible situation. This could be anything from a relational situation, physical healing, or maybe a great financial need. Jesus is the God that is more powerful than any impossibilities.

During this week, we always hear many, many impossible situations bow to the name and power of Jesus!

#### Here is a great example:

During Week 12, in Argentina, Jesus healed an 18-year-old young man that had never walked a day in his life as some youth prayed for him! His legs were skinny and atrophied as he had been in a wheelchair all his life. During prayer, the youth watched as Jesus supernaturally increased the size of his leg muscles, and they said it looked like air was being inflated into his legs like you would blow air into a balloon. The young man was helped up, and then he walked on his own without help! Praise Jesus!
