A Thought to Ponder from The Urantia Book

Bestow Riches

“The good man seeks not to retain truth for himself but rather attempts to bestow these riches upon his fellows, for that is the realization of truth. The will of the Absolute God always benefits, never destroys; the purpose of the true believer is always to act but never to coerce.”

Lao-tse, [94:6.6 \(1034.1\)](#)

賜予財富

“善人尋求的不是為自己留存真理，而是試圖將這些財富賜予他的同胞，因為那是真理的實現。至高上父的意志總是有益的，從不破壞；真正信徒的目的永遠是行動而非強迫。”---老子教導
