Test Corrections: Unit 1- Five Themes & Mapping (Test Version 2)

Directions: Your test corrections should look like the sample below. **You DO NOT WRITE the information in RED.** Just write your answer.

- 1. Copy down the question you missed. Include the question number.*
- 2. Write BOTH the letter AND answer of the CORRECT answer.*
- 3. Justify the correct answer in a sentence. Why is it the right answer? How do you know? If you looked up the answer,*
- 4. where did you find it? - provide a page number, or where in the document, or what activity from class?*

Example: Question #6

1. Which of the following physical characteristics are represented in document A? (mark all that apply)
2. The physical features in this picture are A) Forests and B) Mountains
3. In this document the wall is a cultural characteristic, the forest and mountains are physical characteristics because they are made by nature.
4. I found this by going back and re-reading what physical features are on the powerpoint notes from class.

Rules to remember:

- **You will get no credit if your test corrections are not neat and complete.**
- **Make sure you mark which question you are answering. Label your corrections clearly.**
