

Driver Education

Course Description:

The Idaho Driver Education Program is dedicated to teaching lifelong safe driving habits through its two-part approach: classroom instruction (knowledge) and behind-the-wheel instruction (skills and application).

This six-week online Driver's Education course is designed to meet the requirement for 30 hours of classroom instruction(knowledge). Students/schools must arrange to complete the required behind-the-wheel instruction (skills and application) separately. For information on behind-the-wheel instruction options, visit the [Idaho State Department of Education website](#).

The Driver Education course is pass/fail, and students must earn at least 80% in each of these areas to pass: classroom instruction, in-car behind-the-wheel instruction, and attitude.

This course is a [Quality Matters](#) certified online course.

Unit Titles:

- Unit 1: Getting Ready to Drive
