STORMPROOF/FLOODPROOF/FIREPROOF YOUR FINANCES

You prepare your home for emergencies. We can help you prepare your money, too.

A storm, a layoff, a car breakdown – emergencies come in many forms. The same few steps help you handle all of them.

3 SIMPLE STEPS YOU CAN TAKE TODAY

→ **Save Important Documents**

- ◆ Snap photos of your ID, insurance, and other important papers. Takes about 5 minutes. If you want help storing them safely, make an appointment with a financial coach below.

→ **Know How to Reach Your Money**

- ◆ Make sure you can get to your banking account, debit card, or some cash quickly if you ever need to leave in a hurry.

→ **Protect Yourself from Scams**

- ◆ Scammers often target people after disasters. Be wary of offers that sound too good to be true. [City] can help you spot them and get help if you've been targeted.

THE [CITY/COUNTY OF x] WANTS TO HELP.

A professional financial counselor can help you:

- Build credit
- Increase savings
- Manage your finances
- Eliminate debt
- Open a safe, affordable banking account with no overdraft fees
- Review your insurance so you're covered
