

🎵 6th-8th Grade Choir with Ms. Casey 🎵

Instructor: Casey Lipka

Email: clipka@excelacademy.education

Club Schedule: Tuesdays and Wednesdays at 10-11am

Choir begins on September 2nd.

Music Club Description: Welcome to Excel's inaugural Choir for 6th–8th graders! This is an opportunity for singers of all levels to come together and explore the joy of singing. We'll work on vocal techniques, learn to read music, explore different styles, and most importantly—sing, create, and have fun together. Come with an open mind, your voice, and your curiosity!

I ask students to... *be in a safe space where you are able to focus, and not be distracted by technology or people during our class session.*

Performances / Sharing: Throughout the year, we will have mini talent shows where students will have the opportunity to showcase what they're learning in a supportive and fun environment. These are optional. In addition, there will be performance opportunities for us to come together and share our music. More details to come soon...

A little bit about me: I am a singer, bass player (the big version of a violin 🎻), and compose music. I have traveled across the globe playing music, and I love creating with others. I was born and raised in Los Angeles and enjoy reading, hiking, swimming, weaving scarves, making tasty food, and sitting at the park with friends.

Communication: If you have any questions, please reach out to me via email at:
clipka@excelacademy.education

Lastly... I intentionally create and curate a classroom centered around kindness. Music is sometimes a vulnerable experience, and it takes courage to sing, learn new things, and share one's own music, so please keep an encouraging and positive demeanor in class. I hope to inspire you and provide you with the skills to start your musical journey!
