

Taking a Good Look

Name: _____

Date: _____ Period: _____

Choose your favorite skin cream, lotion, shampoo, or sunscreen and answer the following questions.

1. Give the complete name and manufacturer of your favorite product:
2. Why did you buy this product? (For example – price, smell, claims, etc.)
3. What information is found on the label of personal care products?
4. What is the total # of ingredients listed on your product's label: _____
5. Later in class you will learn about the functions of some of these ingredients. For now, choose 3 and guess why they are in your product. For example, you might guess that an ingredient has been added to prevent bacteria from growing in it.

<u>Name of ingredient</u>	<u>Your guess about why it was added to this product</u>
1.	
2.	
3.	
6. List the claims for this product. (For example – skin nourishing, hypo-allergenic, not tested in animals, etc.)
7. List the cautions for this product. (For example – avoid contact with eyes, etc.)

8. Would you recommend this product to a friend? Why or why not?
