

# Operation GKsupport

Corny name, I know, but I've got nothing better. **PLEASE SPREAD THE WORD.**

## Synopsis

As you may know, as of February 1st, 2025, ClassicMasterNoob's father has passed away<sup>1</sup>. While the majority of us can do nothing financially or physically to support him, we have one thing, our **voices**.

The idea is that we will record ourselves talking about (a.) our **condolences** to GK for his loss and (b.) how GK has **affected our lives** with Centaura, Dead Ahead, or in some other way. **DO NOT ASK FOR UPDATES.**

**Videos** should be 5-60 seconds long (there is **no true limit** though).

If you do not want to speak, you may add a **written message** that could (a.) be read aloud by a person with a mic or (b.) put on a static section displaying your messages.

With these clips I will make a video compiling it all to send to GK. I'll be contacting a few **musical artists** who made Centaura dedicated songs to see if I can get permission to use them.

**Artists**, if you want to draw something in dedication, or have drawn art you want featured in the video, please tell me.

# Submission

You can submit the **videos/audios** to a **google drive** [HERE](#) (name the file with your discord user) or to me via discord **@majorbulletmagnet** . Please DM **message** submissions to discord as well. There is **no set deadline** and I am done when I feel I have enough submissions. Please only submit a **video** if you are **talking**, it doesn't have to be your IRL self, just something in the background, but please, **keep text in text** formats. **No background music.**

# Notes

Youtubers, **no videos** on this, only spread word via Discord and posts, anything that you could benefit off of in any way is expressly **barred**, this is to **care and support** for a developer and/or friend. The video I make will be **unlisted** and only sent to those who request it + GK himself.

If you want it sent anonymously please tell me.

I plan on naming the video **BANDAGE** or **CLOT**, not sure yet.
