Dear Community Business Leader

The Abbotsford Minor Fastball Association [Age Group & Team Name] Fastpitch team is a part of the AMFA House program. This team is already hard at work and will train and practice leading up to the start of their season in April.

The success and effective development of youth sport is substantially attributed to the generous support and donations from our sponsors in the community. Our hope is that your company would consider supporting these girls with a sponsorship donation.

Company sponsorship will allow the girls to have the necessary equipment, uniforms, and safety gear, as well as to participate in tournaments where they will expand their skills and make lifelong memories. This recreational program is a building block for our Rep program and many of these girls discover their incredible abilities while playing on a recreational team and then go on to play ball their entire lives!!

We value the support of our friends in the community and look forward to your participation at whichever level you choose. We would be proud to display your logo or name on our team banner!!

On behalf of the players, families, and coaching staff of the AMFA [Age Group & Team Name] Fastpitch Team we want to thank you for your time in considering our request. Please feel free to contact our team manager if you need any further information.
