- 3) We have hired four new sub drivers and one new sub monitor. One more driver is being trained and hope to have him on board by the end of January.
- 4) We currently have openings for two full time bus drivers & one-part time bus driver, we will fill these positions with our newly hired sub drivers.
- 5) Our semi-annual bus inspection has been scheduled for March 17<sup>th</sup> & 18<sup>th</sup>.
- 6) Each day at the end of the routes, we use a fogger on each bus that transports children to keep them clean & disinfected. Between routes we use Lysol wipes and spray to clean seats and contact areas. All students & drivers wear masks or face shields while on the routes and have temperature checked before boarding the bus.
