 - D. Public Comments
 - E. Announcements
 - F. Approval of Agenda
2. New Business Topics
 - A. Venture for Success Prep has partnered with Roman's childcare center to introduce the road-to-reading sponsored by the City of Denver. The transition has been successful by providing him several "book in the bags." We anticipate wrapping this up by the end of the year to give statistical report to the city.
 - B. The renovation to the west wing of the building has been complete and is now ready to lease and perform training programs for staff and outside vendors.
 - C. We are wrapping up for the end of the year for the ECHO program. We will be extending some of the fencing for the toddler and the infant room to have full access to grass, trees and sensory boards.
 - D. Training for all rooms has begun to ready each for the Colorado Shines in Dec. We will continue to work closely with both the toddler and the pre-k room for additional training.
 - E. Montbello has increased in residence and is now a premier spot for additional retail, home loans and rentals. As a result, we will begin to increase security, continue to reinvest back into the program and property. A grant has been submitted to enhance the security and add an additional layer communication between customers and staff. We should hear back within 60 days from 10-15-19.
