

SciSpace Ambassador Program for Influencers

Our Mission

At [SciSpace](#), our mission is to accelerate scientific discovery and learning. Since 2015, we've been the trusted partner of millions of researchers and students worldwide, simplifying the toughest parts of the research journey.

With access to 280M+ research papers, 50M+ open-access PDFs, and a powerful suite of AI-driven tools, SciSpace empowers you at every stage — from discovery to deep analysis, writing, summarizing, collaboration, and beyond.

 Now, we're taking a giant leap forward with our latest innovation: [SciSpace Super Agent](#) — an AI built exclusively for the scientific community. With a strong vertical focus on academic tasks, proprietary scholarly data, and seamlessly integrated research tools, it's your own intelligent research partner.

 Trusted by 6M+ researchers globally, SciSpace is redefining how knowledge is discovered, understood, and shared. As a **SciSpace Ambassador**, your voice can amplify this mission, inspire countless researchers, and shape the future of academic research with us.

Why Join the SciSpace Ambassador Program?

We're inviting passionate influencers, educators, researchers, and creators to **become voices of the future of research**. As a SciSpace Ambassador, you'll amplify our mission, grow your influence, and **create impactful content at the intersection of AI, technology, and education**.

Guidelines — What to Do

- Only **genuine, organic, consistent, content-led promotion** is applicable for commissions.
- **Always Tag SciSpace official accounts:** [LinkedIn](#), [Instagram](#), [Twitter/X](#), [TikTok](#), [YouTube](#), [Facebook](#), [Bluesky](#).
- Mention “SciSpace” in caption/ post descriptions and use **#SciSpace** in your posts.
- Post **at least twice a month** about SciSpace. Engage with your audience and respond to comments.
- Join our [Discord](#) channel and connect with the community! Keep posting your content in **#flaunt-your-channel** to showcase your work
- Always include your **referral link + coupon codes** in posts captions/link in bio.
- **Boost your rewards** by sharing your content across all your social media platforms/networks.
- **Share your content links** with us every month to ensure smooth commission payouts.

Very Important — What NOT to Do

- **Paid advertising on Referral links is not allowed.**
- **Do not bid on SciSpace/brand related keywords** in search engines
- **Do not promote links/coupons on third-party affiliate/aggregator sites**
- **Do not list your coupon/link on deals/coupon/promo codes/tool-listing sites**
- Do not misrepresent SciSpace tools or promote unethical use.
- Do not create duplicate accounts or spam.
- Referral Accounts showing suspicious activity or remaining unverified/unresponsive will be ineligible for the commissions.

 We closely monitor every referral activity. **Violations may result in the suspension or complete loss of commissions.** We have a **zero-tolerance policy** on these rules.
