

You can earn up to five parent volunteer hours for visiting our Community Partners with your child. **Only one hour can be earned per museum (example, Tennessee Aquarium-one hour, Creative Discovery-one hour) no matter how long you are at the museum.** Please complete and upload this sheet to the Volunteer Hours Form.

IMPORTANT: Your completed volunteer hours will be recorded into PowerSchool, located directly beneath the name of your youngest child enrolled at Normal Park. You can check your volunteer hours there—please allow a few weeks for updates to appear. These hours cannot be viewed through the PowerSchool app — you must log in using a desktop or laptop computer to see them.

If you have any questions, please contact Lilly Smith smith_lillian@hcde.org at the Lower School and Kate Schroeder at the Upper School schroeder_katherine@hcde.org.
