Great experience that allowed us to discover Saigon when we had very little time in this city. Hoang is super considerate and explains very well the Saigonais lifestyle. Recommended it was very interesting.

Awesome tour which gives an introduction to the history of Vietnam via the neighbourhoods of HCMC. I was the only one booked for my tour but they still showed me around. I went to different neighbourhoods with different characteristics. Learnt a bit more about Vietnamese history in the process. Interacted with locals in their homes and they were very welcoming. We even saw a Caudai temple on the way and the guide took me in and gave an introduction to this unique religion (which has Jesus, Budhdha and Confusius as their saints!). Highly recommend this tour for HCMC!

My partner and I had an amazing time on the three district walking tour with Hoang. He was an excellent guide who was enthusiastic, knowledgeable and genuinely kind. We walked through the tiny alleys in District 4 and got to see how the locals live, which was eye-opening and insightful. The walk through China town was also a highlight, as we got to visit the Aquarium street, Herbal Medicine Street, a colorful Chinese-style Buddhist temple, and a herbal tea shop. The final walk to learn about the Vietnam War at the Burning Monk Site & the Commando Safehouse was a somber but important experience. Overall, we highly recommend this tour for anyone who wants to experience the real Ho Chi Minh City and learn about its rich history.

## Hoi An VEGAN Food Tour

Such an amazing tour that was not only full of yummy food, but also full of things that we never knew about Hoi An. Nguyen showed us so many amazing places and shared stories that could never be found in any written guide. We walked throughout old town and down many side alleys and markets. We learnt about the people and histories behind the food, which made it so much more special. Something we will remember for years to come! This tour would be something I would do again and again anytime I visited Hoi An. Thank you so much for your time and hospitality.

Great tour of vegan food in Hoi An! Nguyen took us to special places off the beaten path and we are so grateful. Would highly recommend to those looking for local vegan eateries!

This was a lovely food tour and walk around the ancient town. It was a great way to spend the morning in Hoi An, and also discover some places that I would have not gone to on my own. The Banh Mi place was my favourite, and I went back twice after the tour. I also enjoyed the visit to the herb gardens just outside of town. I would definitely recommend this tour to anyone visiting Hoi An!
