

How Do I Blog?

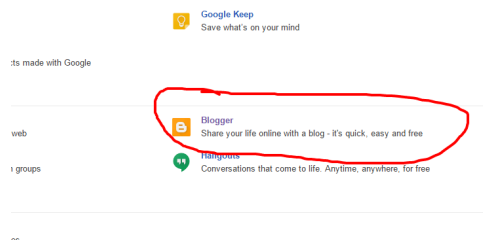

1. I have invited you to our Mighty Smackdown blog (if you are new this year. Last year's participants still have their permissions from last year).
2. When you receive the invitation, please follow the instructions to setup your account on Blogger.
3. To access the blog thereafter in order to post:
 - a. You will need to log into your Google account. Go to your Google Drive
 - b. Click on the “waffles” on the upper right hand corner. Then select “more.”

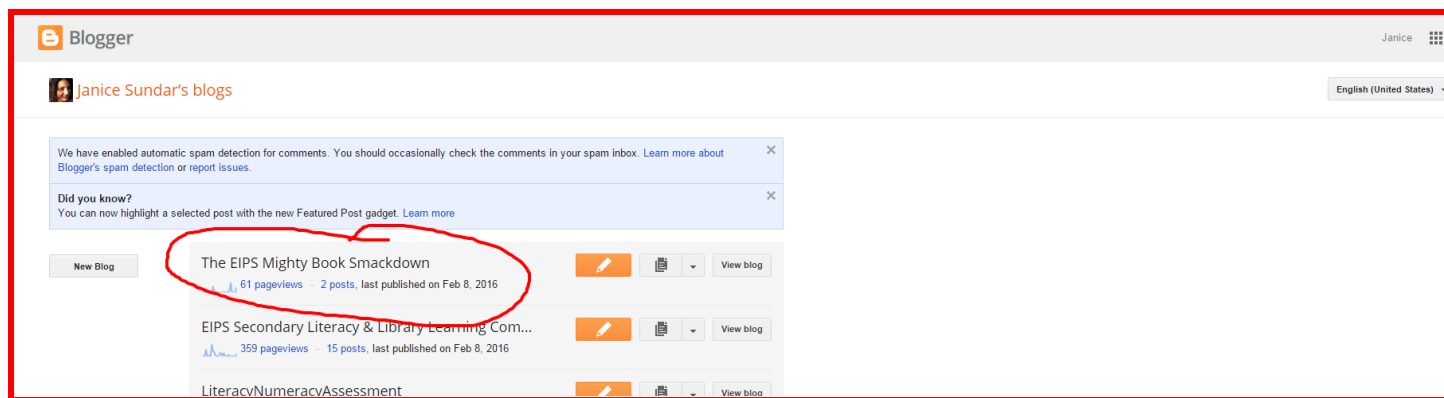

5. Click on “even more from Google.”

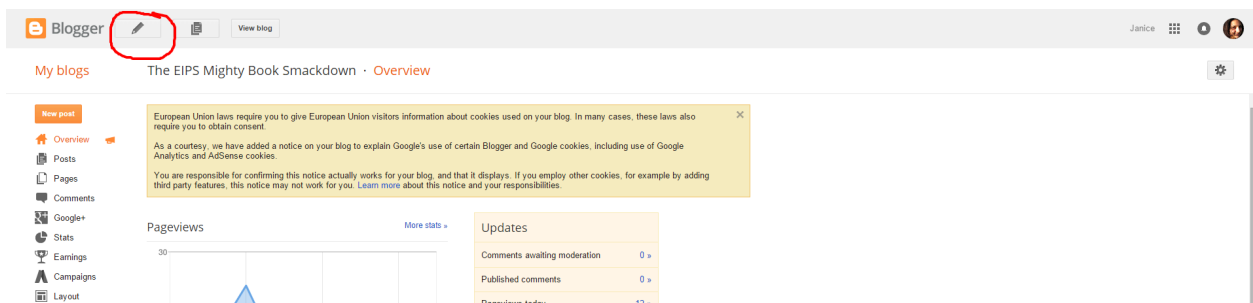

6. Scroll almost to the bottom of page and click on the Blogger icon.

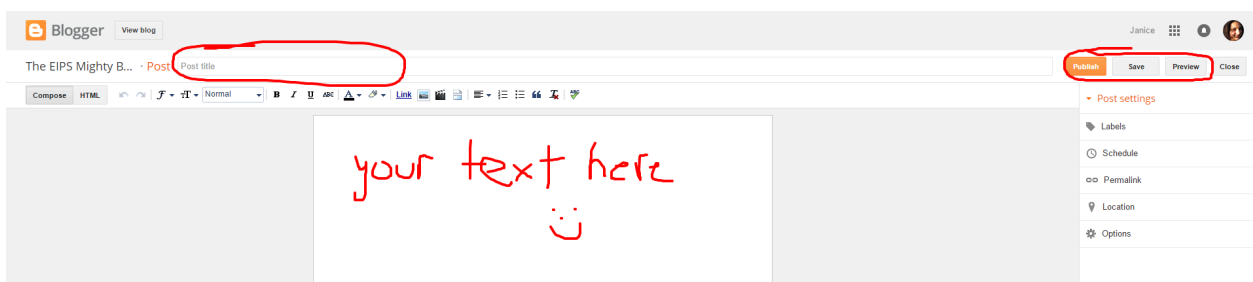

7. If you have accepted the invitation you received to be an editor of the blog, the EIPS Mighty Smackdown Blog should be available in your list of blogs. Click it.

8. Click on the pencil at the top of the page to pen your post.

9. The “create a post page” should look fairly familiar and works like most text editors. Simply add your title in the title box and type the content of your post in the big white space! Be sure to hit “Save” and “Publish.”

That's it! You're done. Please contact me if you have any questions!
