gaiden 3: friend...?

The one has lost his best friend and sealed his heart.
And the girl who dares to do everything for him.

@KAKASHIMINA CH. 3

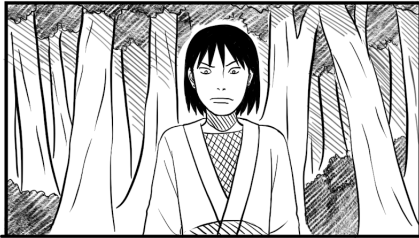

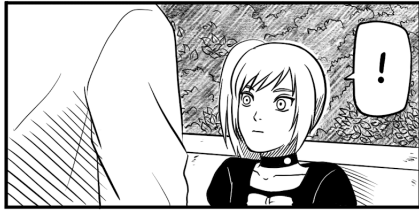

-Thank you for protecting kushina. From now on, an Anbu member who's directly working for me is going to protect Kushina until she gives birth.

-Then, I'll go back to work in the anbu.

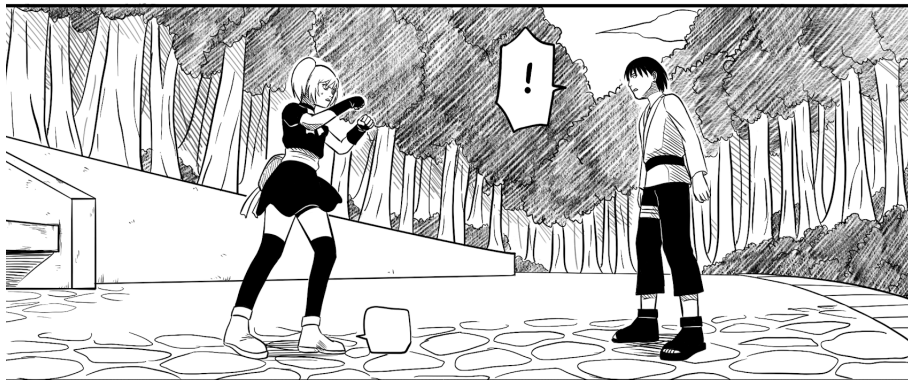

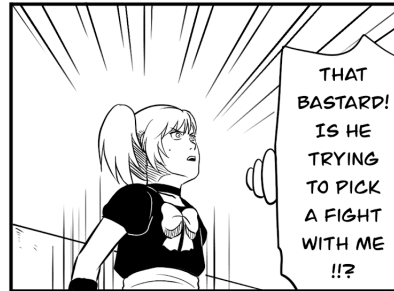

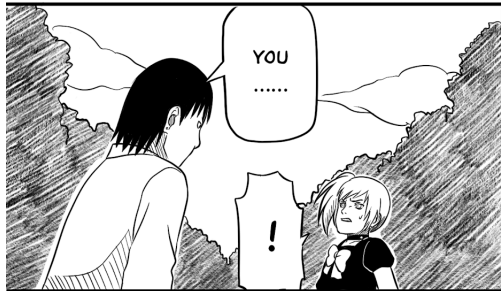

-It's fine. don't be in a hurry.

-You can take a break for a while.

-Oh, and that girl always comes and waits for you every day.

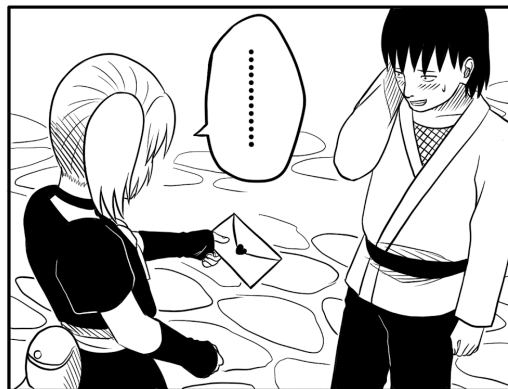

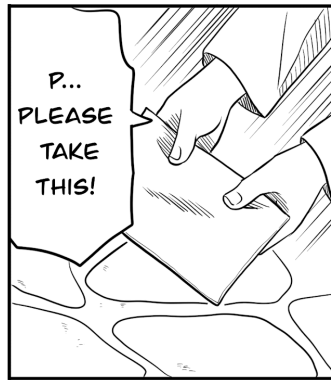

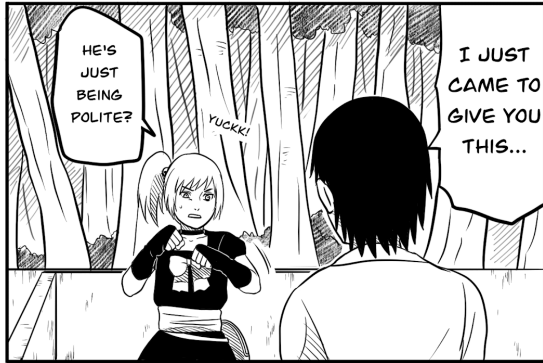

@KAKASHIMINA CH. 3

-Sigh.. I haven't seen Kakashi lately.

-That bastard! Is he trying to pick a fight with me!?!?

-You...

-W.. wait.. I won't do anything bad!

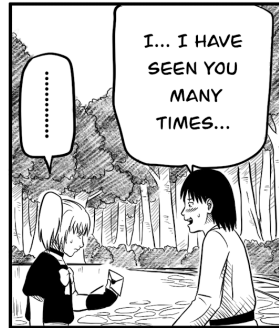

-I just came to give you this...

-He's just being polite? yuckk!

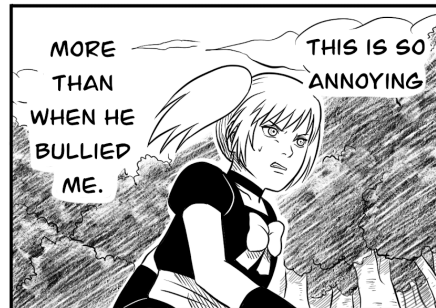

-P...please take this!

-A fight letter?

-This is... a love letter...?

@KAKASHIMINA CH. 3

-I... I have seen you many times...

-W..why...?

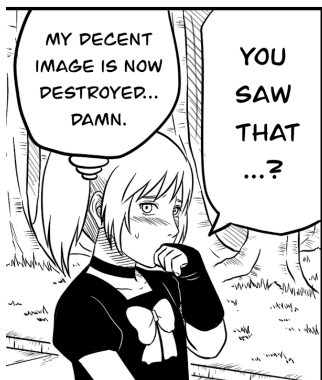

-This is so annoying more than when he bullied me.

-What's up

-Ah! I wanna punch him one more time!

@KAKASHIMINA CH. 3

-K..Kakashi! I haven't seen you in a long time! I really missed you!
 -I was on the mission.

-Here is the bento! I guess you didn't have lunch, huh?
 -Um.. thanks.

-The store's owner, who I work with, is very kind! She gave me lots of healthy food. I want you to eat them so you'll be healthy and strong.

-You don't need to do this. I...
 -Why? I love to do this for you. I love taking care of you!

-Y..yeah...?

-So, why did you kick that boy a few minutes ago? Did he make fun of you again?

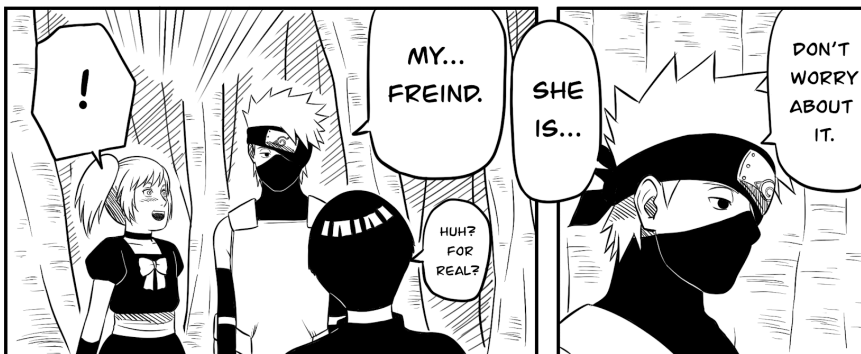

-Shit!

-You saw that...?

-My decent image is now destroyed... damn.

@KAKASHIMINA CH. 3

-I was really pissed. He had the nerve to send me a stupid love letter even though he always bullies weak people.

-Besides, why would I accept a love letter from someone who ever fought with me?

-You could have just rejected him like a normal person. If you keep this up then no one will want to talk to you.

-I don't care about other people!

-You aren't on my side at all! Baka!

-Yo! Kakashi!!

-You're here? Fight me!

-Oh! You! You're that little monster!

-Eh! I didn't do anything!

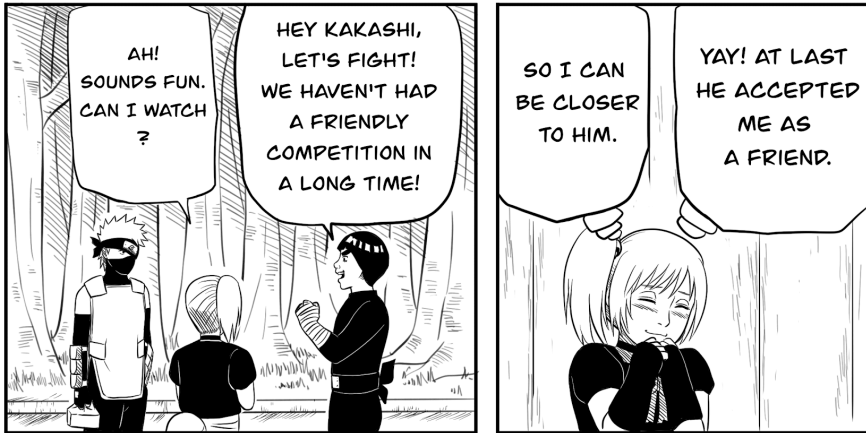

-Kakashi, this girl tricked me to get information about you!

-Tricked...?

-Don't worry about it. She is...

-My... freind.

-Huh? For real?

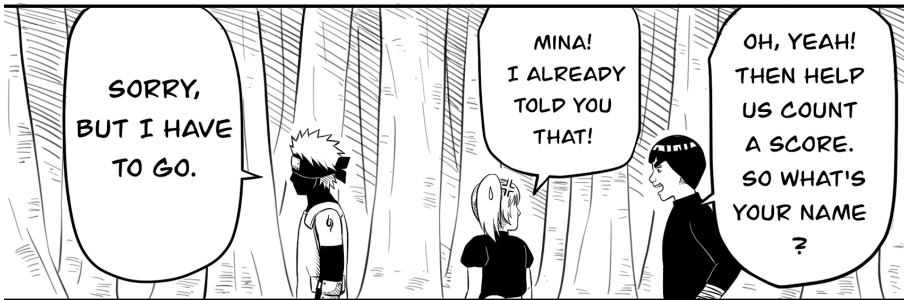

-Yay! At last he accepted me as a friend.
 -So I can be closer to him.

-Hey kakashi, let's fight! We haven't had a friendly competition in a long time!
 -Ah! Sounds fun. Can I watch?

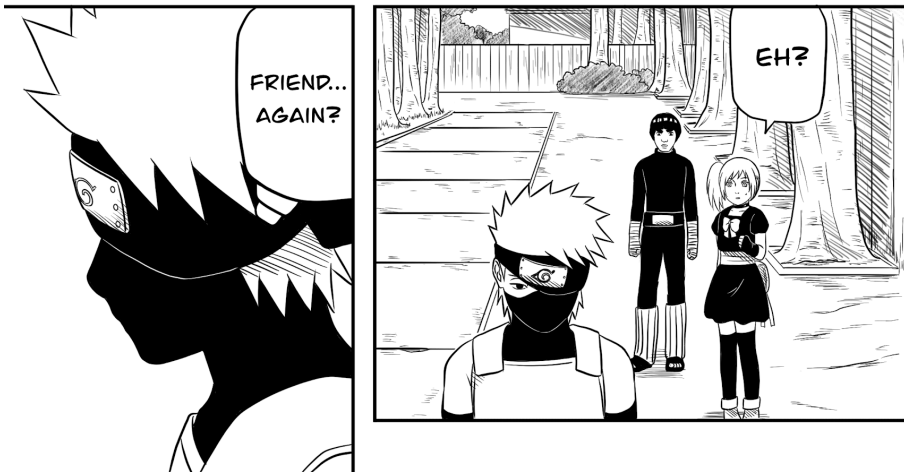

-Oh, yeah! Then help us count a score. So what's your name?
 -Mina! I already told you that!
 -Sorry, but I have to go.

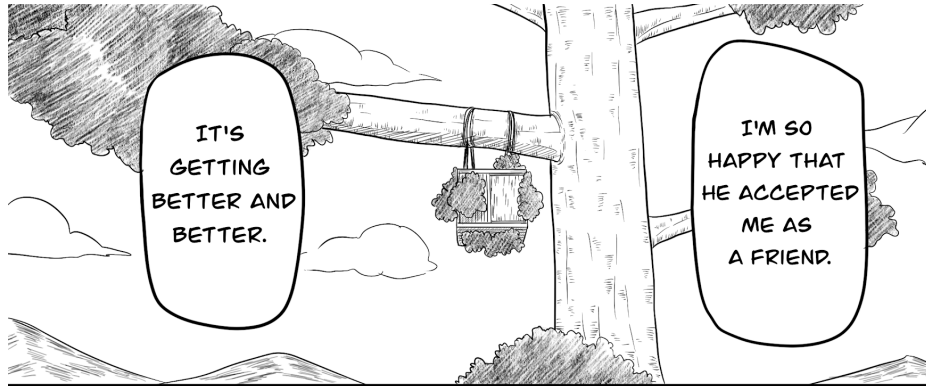

-Eh?

-Friend...again?

@KAKASHIMINA CH. 3

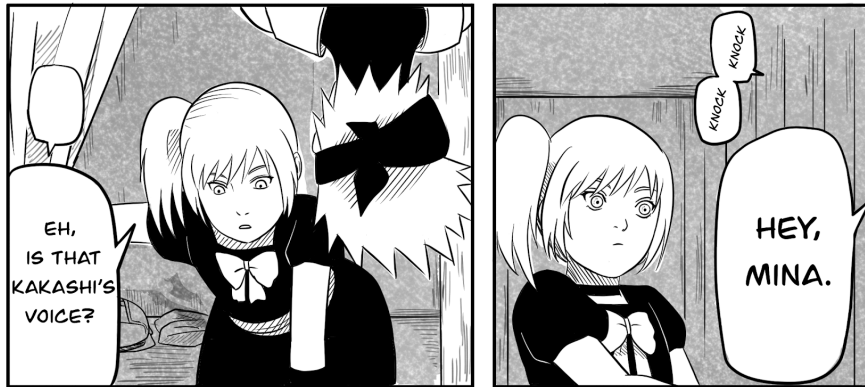

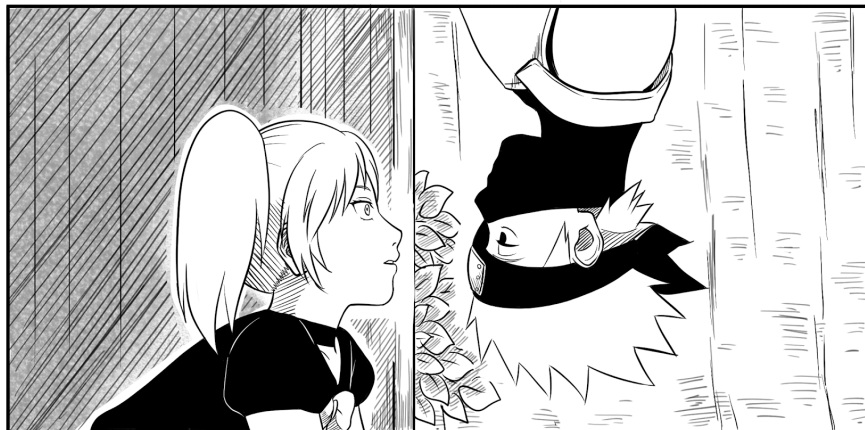

-I'm so happy that he accepted me as a friend.
-It's getting better and better.

-Hey, Mina.
-knock knock

-Eh, is that Kakashi's voice?

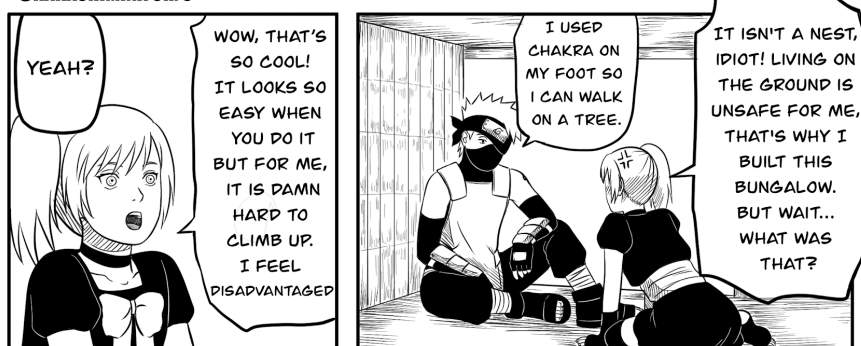

@KAKASHIMINA CH. 3

@KAKASHIMINA CH. 3

-Where did you come from!!?

-I'm shocked. baka!

-Why are you shocked?

-What the heck is this nest?

-Whoa! How can you stand like this!?

-It is dangerous, come in!!

-You created the nest by yourself? Do you sleep in this?

-It isn't a nest, idiot! Living on the ground is unsafe for me, that's why I built this bungalow. But wait... what was that?

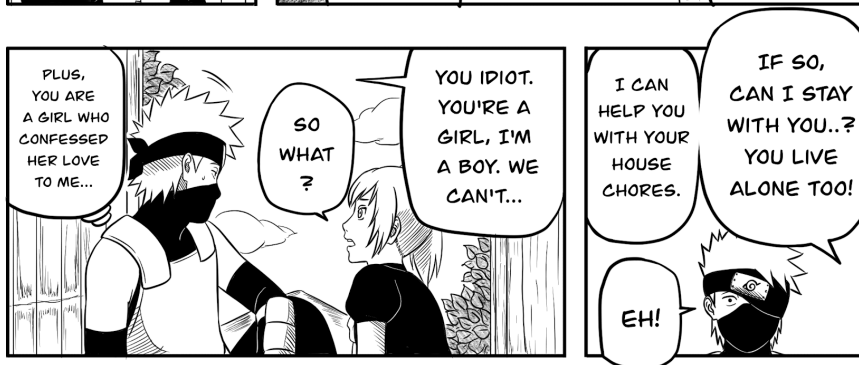

-I used chakra on my foot so i can walk on a tree.

-Wow, that's so cool! It looks so easy when you do it but for me, it is damn hard to climb up. I feel disadvantaged.

-Yeah?

@KAKASHIMINA CH. 3

-Ah! Wait a second! Did you come here because of me?

-Um...

-Really? Is it true? You're missing me?!

-Isn't this nest too dangerous for you? you can't use chakra, right?

-Please, stop changing the subject and stop calling it a nest.

-You should live in the village. A girl like you, living outside all by herself is not safe.

-Don't worry. It's cool. I have lived outside for a long time!

-Ah!

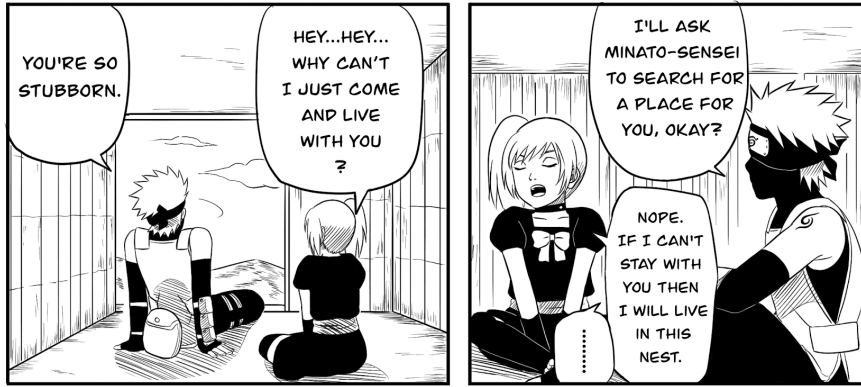

-If so, can I stay with you..? You live alone too! I can help you with your house chores.

-Eh!

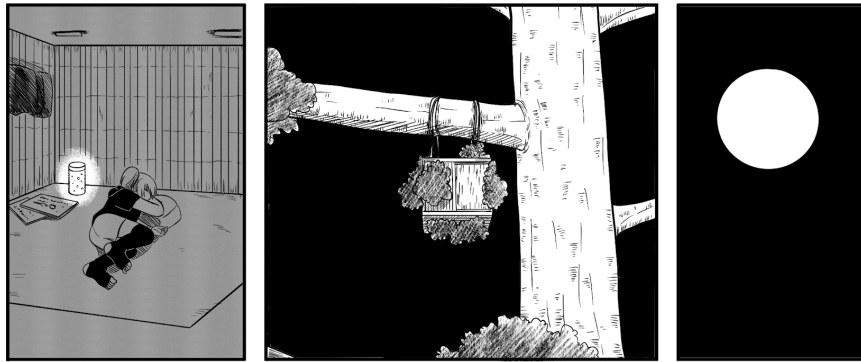

-You idiot. you're a girl, I'm a boy. we can't...

-Plus, you are a girl who confessed her love to me...

-So what?

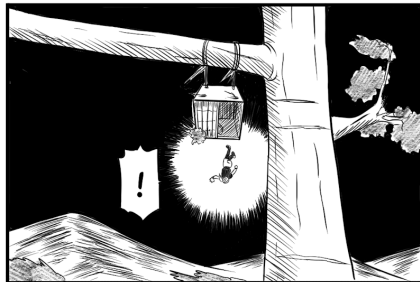

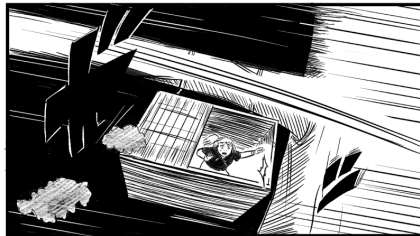

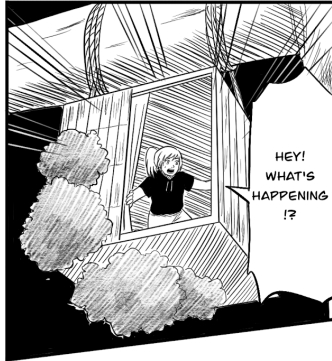

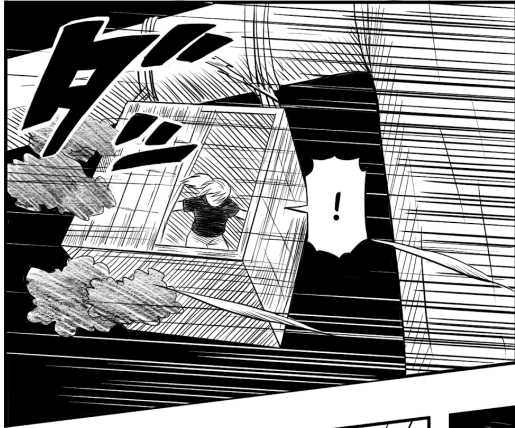

@KAKASHIMINA CH. 3

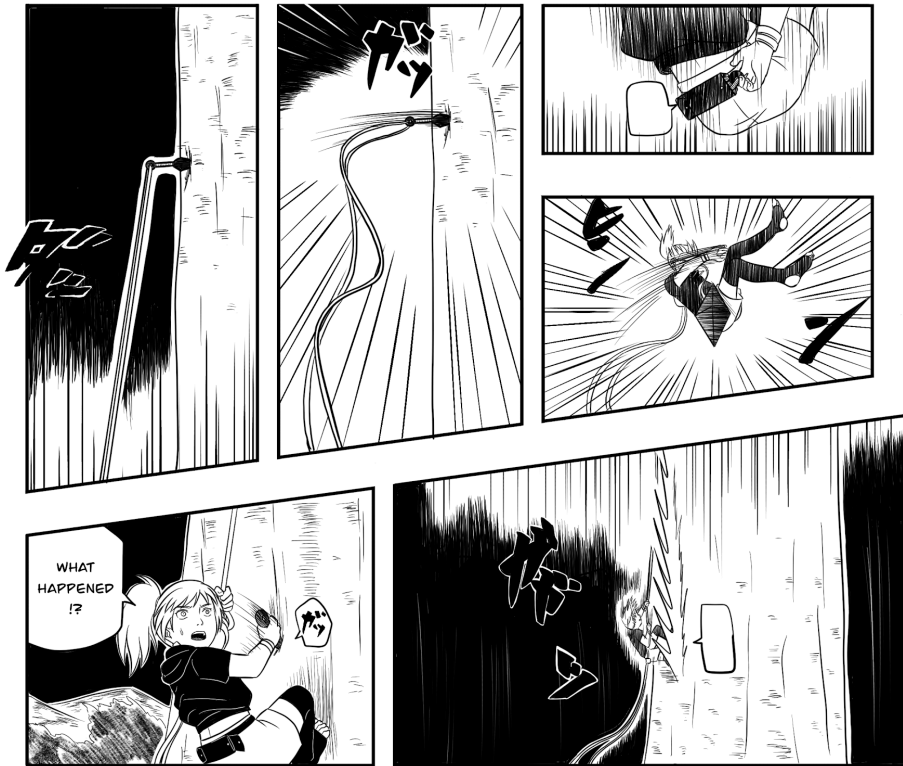

-I'll ask Minato-sensei to search for a place for you, okay?
 -Nope. If I can't stay with you then I will live in this nest.

-Hey...hey... Why can't I just come and live with you?
 -You're so stubborn.

-Hey! What's happening!?

-Gosh damn!!

@KAKASHIMINA CH. 3

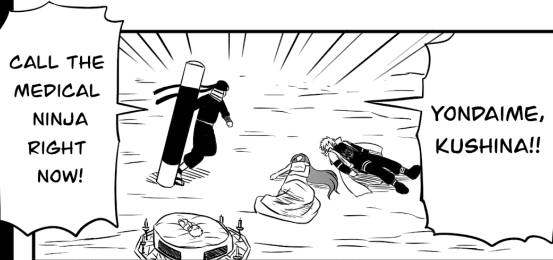

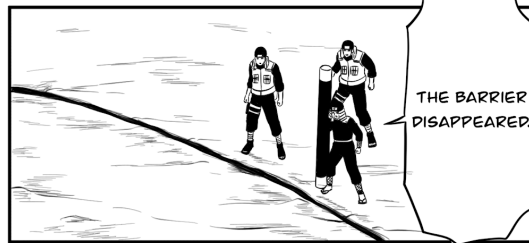

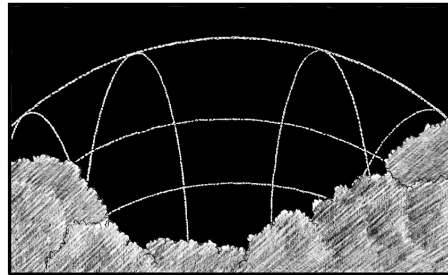

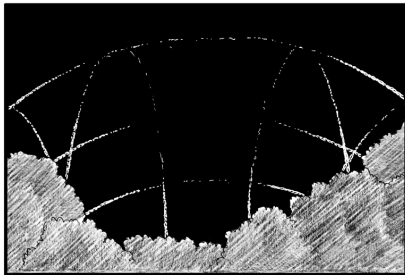

-What happened!?

-What the heck is this?!!

@KAKASHIMINA CH. 3

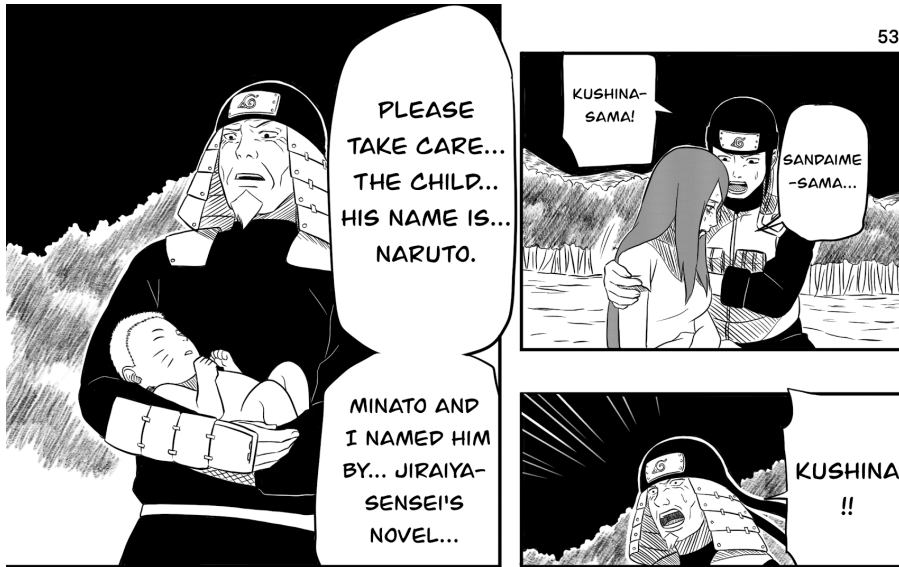

-I don't want you kids going anywhere near the kyuubi. we're not fighting another village, this is our own village's problem, and not something you should be risking your lives for.

-the barrier disappeared.

-Yondaime, Kushina!!

-Call the medical ninja right now!

-This child...

-Sandaime-sama...

-Kushina-sama!

-Kushina!

-Please take care... the child... his name is... naruto. Minato and I named him by... jiraiya-sensei's novel...

-I understood. don't worry. I will protect him as best as I can...

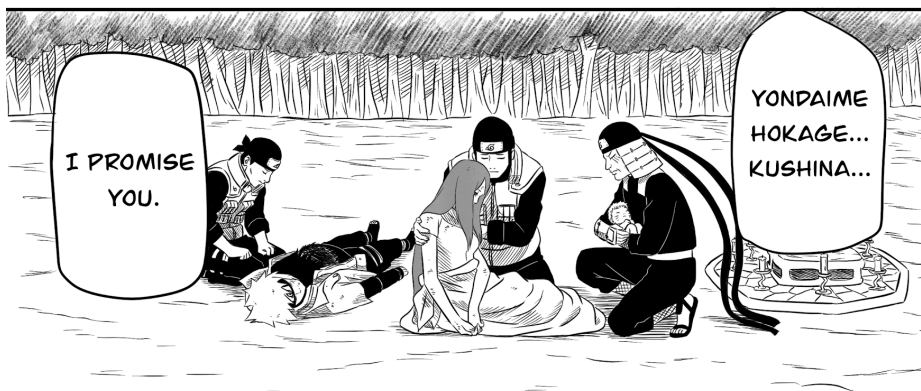

-Hence, for this boy please take the rest.

-Yondaime hokage... Kushina...

-I promise you.

@KAKASHIMINA CH. 3

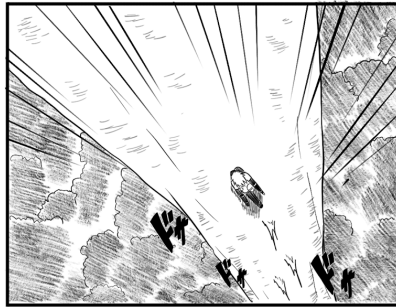

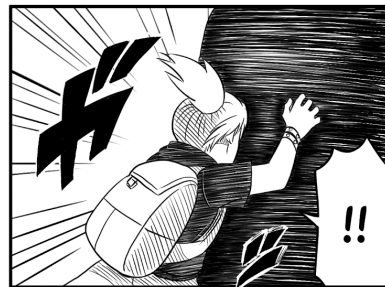

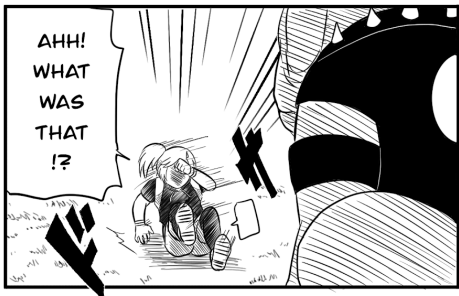

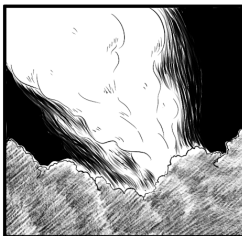

@KAKASHIMINA CH. 3

-She's not in a dangerous spot, but still in the risk area.
-I hope she's safe.

@KAKASHIMINA CH. 3

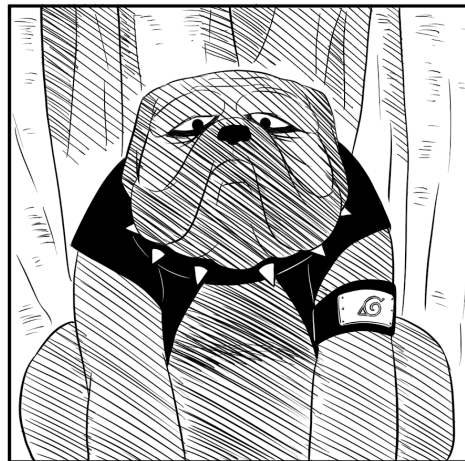

-Mina!
-She's not here.

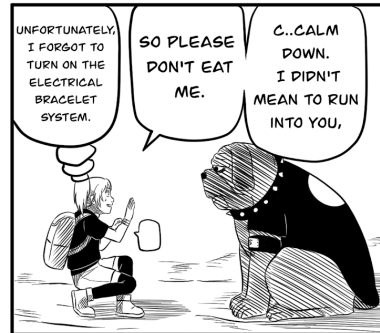

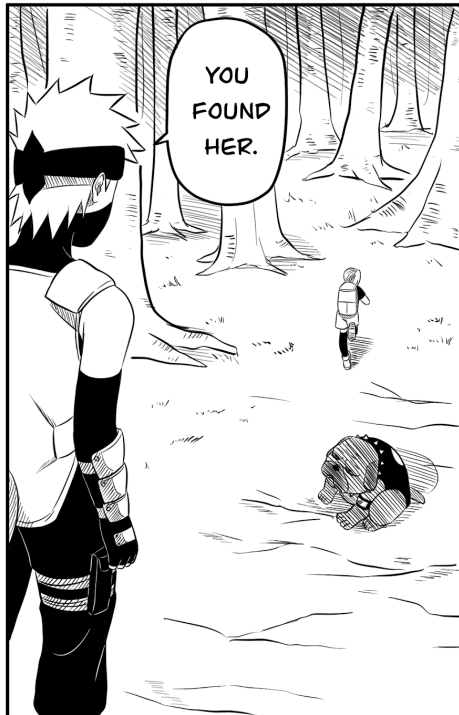

-I can't see her. Mina, are you safe?

-I hope that bomb didn't come from Konoha.
-Kakashi...

-Ahh! What was that!?

@KAKASHIMINA CH. 3

-A big... dog...
-Is he going to eat me?

-C..calm down. I didn't mean to run into you, so please don't eat me.

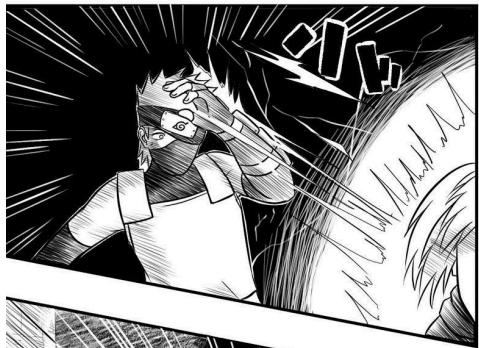

-Unfortunately, I forgot to turn on the electrical bracelet system.

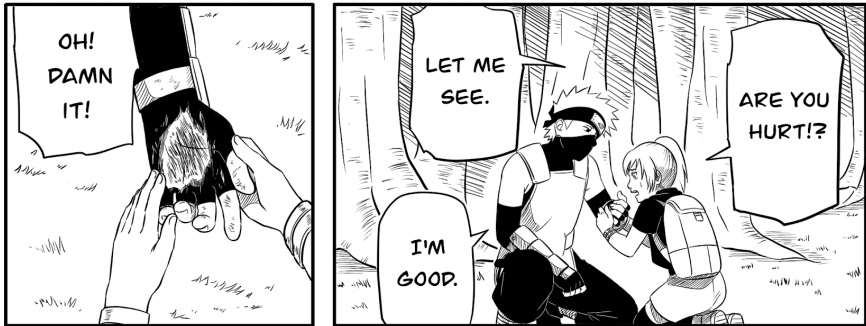

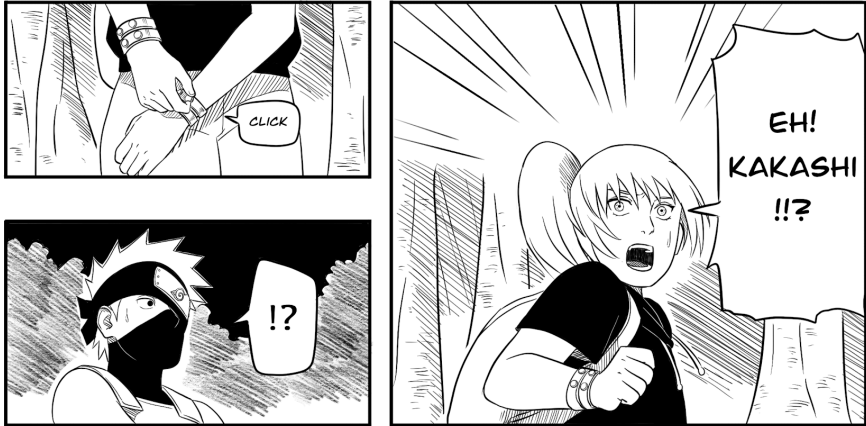

-We both shall leave, okay...?

-You found her.

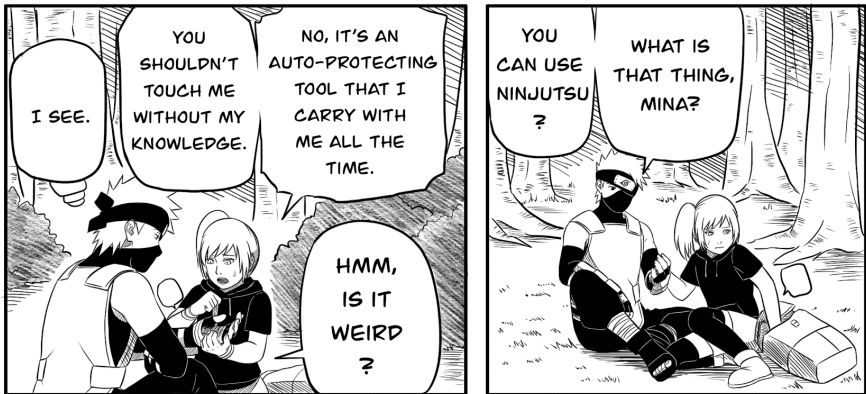

@KAKASHIMINA CH. 3

@KAKASHIMINA CH. 3

-Eh! Kakashi!!?

-Are you hurt!? let me see.

-I'm good.

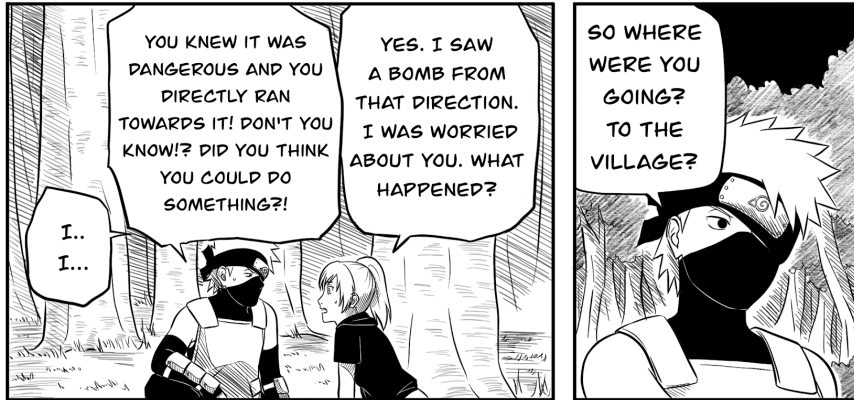

-Oh! damn it!

-What is that thing, Mina? You can use ninjutsu?

-No, it's an auto-protecting tool that I carry with me all the time. you shouldn't touch me without my knowledge.

-Hmm, is it weird?

-I see.

-So where were you going? To the village?

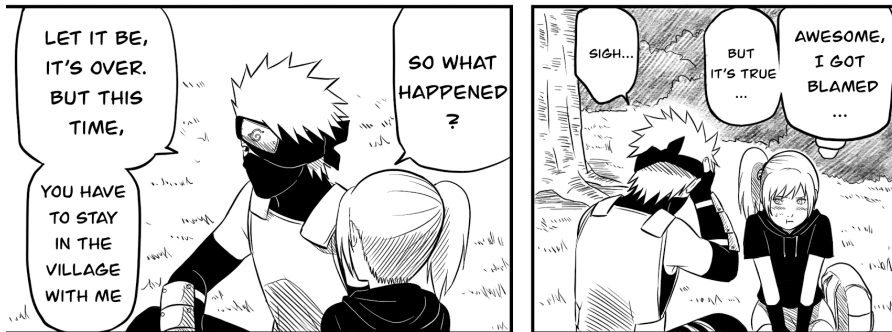

-Yes. I saw a bomb from that direction. I was worried about you. What happened?

-You knew it was dangerous and you directly ran towards it! don't you know!? Did you think you could do something?!

-I..I...

-Awesome, I got blamed... but it's true...

-sigh ...

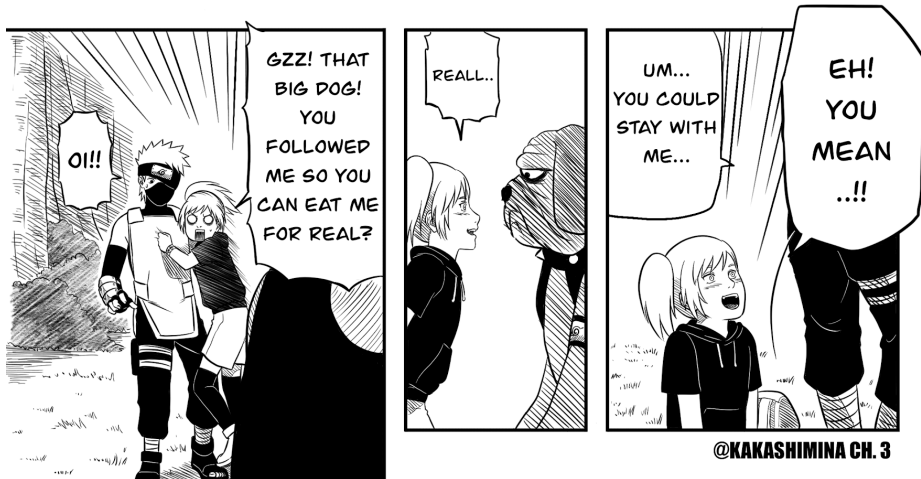

-So what happened?

-let it be, it's over. but this time, you have to stay in the village with me.

-Eh! you mean..!!

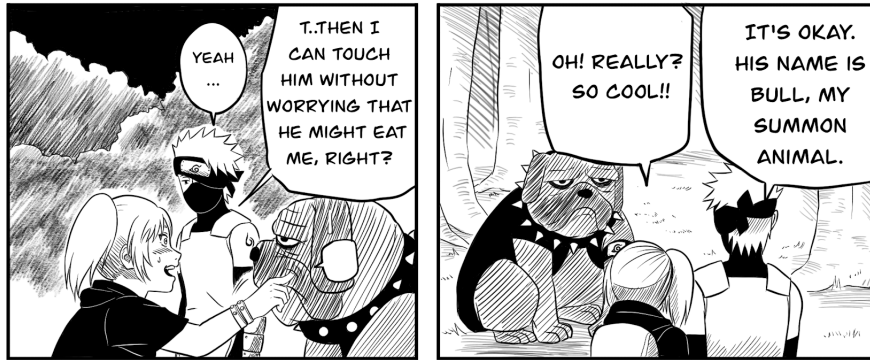

-Um... you could stay with me...

-reall..

-Gzz! That big dog! you followed me so you can eat me for real?

-Oi!!

-It's okay. His name is Bull, my summon animal.

-Oh! really? so cool!!

-T..then I can touch him without worrying that he might eat me, right?

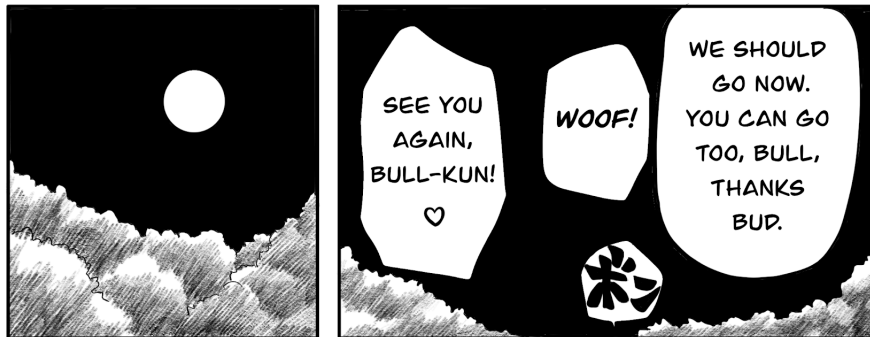

-yeah...

-We should go now. you can go too, bull, thanks bud.

-Woof!

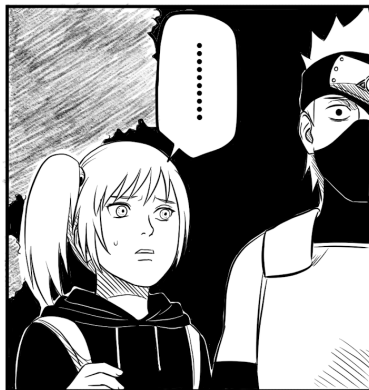

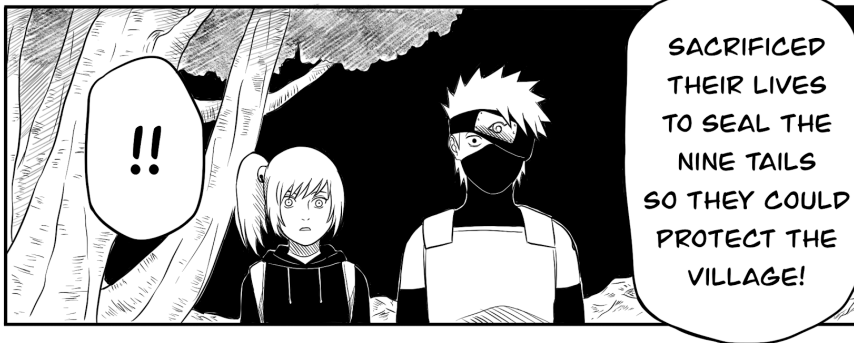

-See you again, bull-kun!

-Jesus... the village became this worst...

@KAKASHIMINA CH. 3

-Hey kakashi, where have you been? when the barrier disappeared, you immediately jumped out!?

-Eh, you are also here, uh, what's your name...?

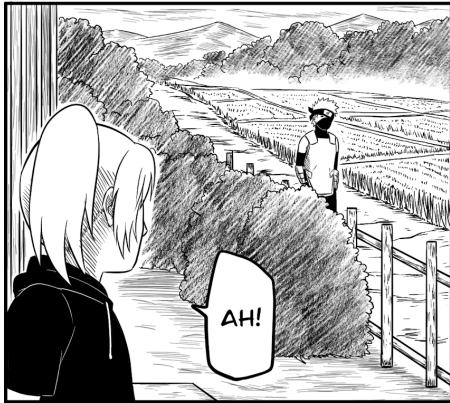

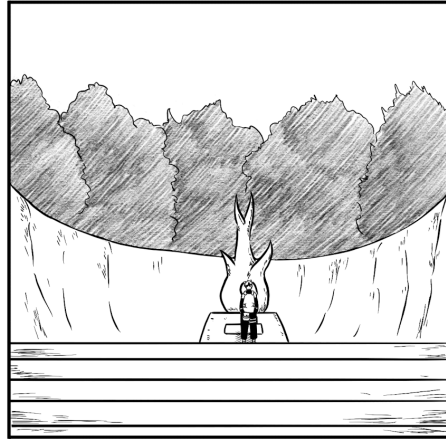

-S..sorry.

-Did you know minato-sensei and kushina-san...

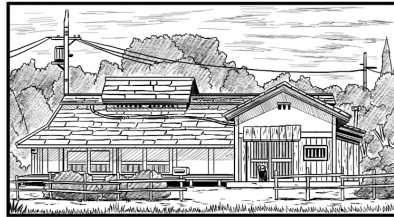

-Sacrificed their lives to seal the nine tails so they could protect the village!

-M..Minato-sensei...

-It happened again...

AH!

I STILL CAN'T GET USED TO IT.

WHY ARE YOU SITTING HERE? YOU COULD HAVE WAITED INSIDE...

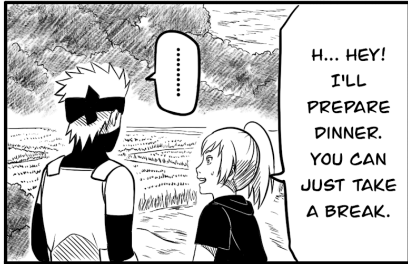

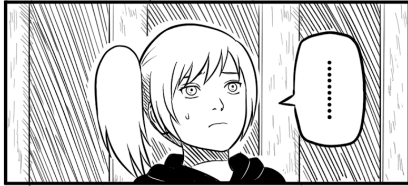

KAKASHI, YOU ARE BACK!

-Ah!

-Kakashi, you are back!

-Why are you sitting here? You could have waited inside...

-I still can't get used to it.

-H... hey! I'll prepare dinner. you can just take a break.

-Preparing to be Kakashi's wife in the future. hehe.

-Ahh!! that hurts!

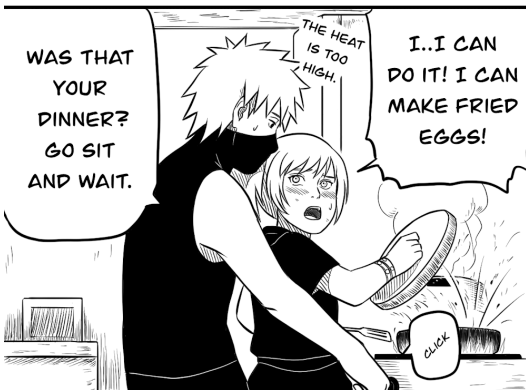

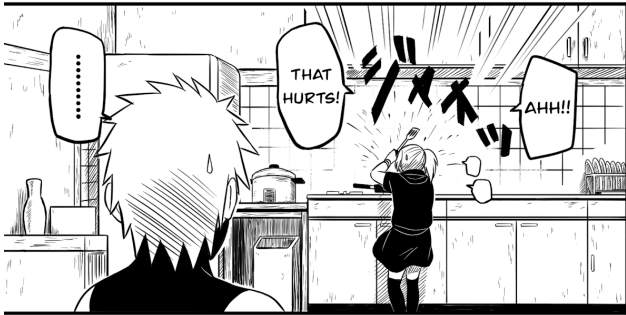

-What's wrong!? It looked so easy when the aunt of the shop owner at my part-time job did it!!

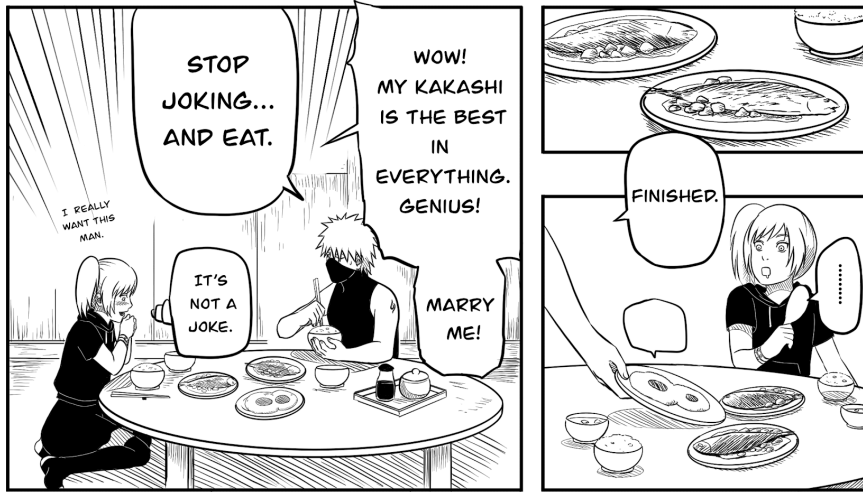

-You can't cook, can you?

-I..I can do it! I can make fried eggs!

-Was that your dinner? go sit and wait.

-The heat is too high.

-Finished.

-Wow! My Kakashi is the best in everything. Genius! Marry me!

-Stop joking... and eat.

-It's not a joke.

-I really want this man.

-So yummy. I'm so happy.

-Don't speak while eating...

-Living with her isn't bad...

-Wait... it means that I don't have any usage for Kakashi? No....
