

## Stewardship Fall Final Project

### Individually on a separate sheet of paper,

#### DAY 1, Answer:

What is STEWARDSHIP?

For example....

#### Write:

What does STEWARDSHIP look like at home? And provide an example:

\_\_\_\_\_, because...

Outdoor Lab?

\_\_\_\_\_, because...

School?

\_\_\_\_\_, because...

#### WHEN FINISHED, YOU AND **ONE** PARTNER:

-Brainstorm for Stewardship in the School Walk

1. List some popular places in the school. You must have at least 4.
2. You and your partner get a pass and walk to those places.
3. Look for things that exemplify stewardship. Write down your observations and take pictures of them.
4. Come back to class and upload the pictures to a Google Presentation and organize them with your notes. You must explain how they exemplify Stewardship. SHARE WITH MPTHOMAS.

#### DAY 2:

Brainstorm for missing Stewardship in the School Walk

1. Using the places you went to from the first Walk, go back and observe again. Try to find ways that the present or lack of stewardship can be enhanced, changed, or added too.
2. You and your partner get a pass and walk to those places.
3. Write down your observations and take pictures of them if needed. Focus on space or details that are missing or can be enhanced for their stewardship.
4. Come back to class and upload the pictures to a Google Presentation and organize them with your notes.

#### FALL FINAL PRODUCT:

You will be writing and performing a proposal to increase the stewardship of our school (or other) in the fashion of your choice. **Remember, you will be acting on this proposal during the week of Dec. 13-18th.**

Some Product Ideas Include:

- a. Informational Plaques
