### Terms Of Service

By commissioning me or buying a design from me, you are stating that you have read and agreed to these terms.

This TOS may be subject to change at any time without notice.

#### BASICS:

- Payment comes **first**. PayPal only.
- My artwork and designs are for **personal use** only. Anything regarding this has to be discussed with me directly.
- Commissioner can re-upload the image with credits given to myself in the form of a **link** to my DeviantArt, Instagram, or my Toyhou.se account.
- I reserve **the right to refuse** any commission at any time, for any reason and without explanation. A refund will be issued if for any reason I am not able to continue working on your commission.
- I do **not** allow my art to be used for NFTs, or for AI.

#### REFUNDS:

- **No refunds** after the commission has been already ***been done, or nearly completed commissions.***
- I **reserve the right to refuse** any commission at any time. A **refund** will be issued if for any reason I am not able to/am uncomfortable working on your commission.

### Designs/Adoptables/Adopts

#### BASICS:

- I **own the rights** to the drawings I made of the adopt. I'm free to use my art and post it so future clients will be able to see them.
- I will never **claim** the character as my own, but you are obliged to **credit me** for the

design at least once somewhere visible, if you upload the character to another website.

### RESELLING, TRADING AND MODIFYING:

- **You're allowed to gift, sell or trade my designs, with the condition of no trading or selling for more than it's total value.** Most of my recent designs have their initial **value** stated in their Toyhou.se profile **ownership log**, or you can ask directly to me what was the original value if that information is missing.

- In case of characters that weren't bought in a proper way, such as chargeback, the design's rights and ownership are not legitimate, therefore their **ownership** goes back to me.

- **THOSE WITH TOYHOUSE:** Do **not** delete my characters from Toyhou.se. You're free to **hide** them, but I will know if they have been deleted from the site. If I know you have been deleting one or more designs from the site I can stop doing business with you; alternatively if you own a design that didn't originally had a Toyhou.se profile, or you're the new owner of a design which it's profile has been deleted, you may provide proof of purchase/trade/gift to me in order to give official design credits on the site.

- **You may change small things on the design** such as color and a few patterns. The final product must **resemble** the original. If you do change the design and think it may be too much please contact me first for approval.

### REFUNDS:

- Once you accept and the payment goes through, **refunds are not accepted.**

### BLACKLIST/GREYLIST:

- Breaking these terms, not answering on time several times, and having a public record of poor behavior will result in either getting on my personal Greylist or

Blacklist.

- Those who are in my **Greylist** can still do business with me but I will be wary.

- Those who are in my **Blacklist** are banned from doing business with me.
