

Demandbase Partner Program Terms of Service

The [Demandbase Partner Program](#) for Agency, Technology, and Data Partners is designed for B2B SaaS providers and agencies specializing in account-based GTM, targeting mid-market to strategic customers in software, high-tech, biotech/pharma, manufacturing, and other high-growth industries.

By accepting these terms of service, you agree to use the PartnerStack platform To participate in our Partner Program and will comply with PartnerStack Partner Terms of Service:

- To apply for our Partner Program, you must complete and submit the online application through PartnerStack.
- If we approve your application, we will send you our NDA and applicable partner agreement(s) for signature.
- In the PartnerStack Platform, among other things, you can review our Partner Program details, receive training, review support resources, get visibility into referred customers (where applicable) and conversions, and set up your bank details.
- We use PartnerStack to handle all our Partner Program's referral tracking and processing payments ([more details here](#)).
