## Expectations

**You can :**

- Visually explain a phenomenon.
  - The visual must be:
    - Organized
    - Flow
    - Coherent
  - The visual could be a game, poster, manipulative, comic strip, etc. In other words, creative.

## Why Earn This Badge?

In all fields, the importance of being able to explain and communicate your thoughts is essential. Oftentimes, the addition of a visual aide in strengthening an argument, point or conversation. As science and many other fields are based in collaboration, you must be able to communicate your ideas in multiples ways. By earning this badge you are proving that you are able to communicate ideas through the use of Visual Explanation.
