Weekly Update

May 22, 2023

Dear Marshall Community:

I apologize for the delay in the weekly update. I included next week's weekly update as well. There are many dates included for the end of the year activities. However the most important activities revolve around the classroom. We are promoting the theme "Finish Strong" to our students. Please help us convey the message of the importance of working hard up to the "final buzzer"! (Let's hope the Celtics do as well!!!) Each day is a great day to learn!

Memorial Day, originally called Decoration Day, is a day in which we recognize those who gave the ultimate sacrifice in our nation's service. After the Civil War, national cemeteries were created. In the spring many Americans would decorate the graves of soldiers, visit cemeteries, and hold gatherings or attend parades. In 1971, Memorial Day was officially recognized in all fifty states. We are fortunate to fall back to old traditions as we recognize Memorial Day, on Monday, May 29 with the same sense of gratitude for those who gave their lives for our country.

Warmest Regards,

Mr. Rossi,

Principal
