

2025 Max & Ruth Cox Family Reunion Meeting Agenda - 10/11/2025

This is our final meeting before the reunion. We will review the whole two days in reverse. Please prepare any information or requests that are important to share with our entire committee so we can move along quickly. We will have other family attending joining us to help with shirt sorting. Please plan to be a few minutes early so we can begin on time and end sorting shirts before noon. Thank you all for your great work!!
