

## Goal 15: Life on Land

### Station Activity

Students will use empty water bottles to plant \_\_\_\_\_

#### Discussion

- single use items such as water bottles (visuals at station?)
- Benefits of (whatever we decide to plant...)

#### [Life on Land: Why it Matters](#)

The handout linked above is from the UN site- do we want to make a version with appropriate language for 5th graders to give out at the station?
