Allow replacement procedures following the WIAA Regional guidelines.

Track & Field Facilities:

All running and field events will be conducted on our 9-lane rubberized track. Pyramid spikes up to ¼" are allowed. Long and triple jump (20', 24', 28', 32', 36') have takeoff boards. Flats are required for the concrete surfaces at the shot and discus.

Restrooms are located near the concession stand at both the north and south end of the track. In case of severe weather, please meet with your team in the commons (Enter the school through Door 16).

Team areas and tents can be set in the soccer practice fields located just outside the fenced track area. Please keep your athletes out of the stands and have your athletes clean up their area at the conclusion of the meet. Team areas **should not** be set up near the baseball or softball fields and/or bleachers.

The roped off track infield is a restricted area. Athletes competing in pole vault & high jump, along with their coaches, will be allowed on the infield near their end of the field. A space along the west end of the infield will be open for warm-ups.

Running Events:

Clerk of Course and hip numbers will be located at the Southeast corner of the track (near the start of the 100m dash). All running events are a timed final. There will be trials in the 100m dash and 100/110m hurdles with heat winners and the next fastest times (nine total athletes) advancing to the finals.

The sprint relay zones are correctly marked. The exchange zones are 30 meters in length and marked with large triangles. Both tape & chalk can be used for marking the track. Chalk will be provided to athletes at each exchange zone for athletes to mark the track. Sun Prairie East Coaches will be at each exchange and each team will assign at least one of your coaches to help with officiating exchanges.

800m Relay:

Exchange 1 & 3 - Verona, Craig & SP West
Exchange 2 - Meet Officials

400m Relay:

Exchange 1 - Parker & Madison West
Exchange 2 - Madison East & Madison Memorial
Exchange 3 - Madison LaFollette & Middleton

Specific to the **1600m Run**:

18 or fewer competitors = 1 section
24 - 19 competitors = 2 sections
More than 25 competitors = 3 sections

Field Events: 15 minute event check out - Time starts when the competitor's name is announced.

Long jump, triple jump, shot put, and discus athletes will have three attempts and then the top nine will be given an additional three attempts in finals.

Long and triple jump will have a 90 minute open pit followed by a 15 minute break and finals to completion.

Shot put and discus will be conducted in flights. Implements must be weighed in near the throwing circles (Northwest end of the track near the softball diamonds). There will be a 10 minute warm-up period between flights and finals. Co-ed wheelchair shot put will take place on Circle #2 at the start of the meet.

Pole vault (south end) and high jump (north end) compete in the D-pad areas inside the track. Only athletes competing in the event and their coaches are allowed in the infield.

Opening heights for the pole vault and high jump will be determined after entries are submitted and announced at the coaches meeting. We will use the standard 8th place, then two heights down (1' for PV & 4" for HJ) for determining opening heights. Five-alive will be used.
